(NASDAQ: HSIC), the world's largest provider of health care products and services to office-based dental, animal health and medical practitioners, today reminded its customers that the Henry Schein Disaster Relief Hotline is open for dentists, physicians and veterinarians who experience operational, logistical or financial issues as a result of the disastrous storms in the South Central region of the U.S. The toll-free number for all Henry Schein customers is 800-999-9729. "For our customers who have practices affected by the storms, we are here to help, and encourage practitioners to call our hotline for assistance."

In addition to opening its Disaster Relief Hotline, Henry Schein is offering support to its strategic non-governmental organization partners who are assessing the need for health care product donations to assist in relief efforts.
