

Henry Schein Launches Newly Designed Website For A Greater Customer Experience

February 23, 2017

Faster Navigation and Search Capability and a New Henry Schein Dental Website Among Site Enhancements

MELVILLE, N.Y., Feb. 23, 2017 /PRNewswire/ -- Henry Schein, Inc. (Nasdaq: HSIC) today announced the launch of its newly designed website, www.henryschein.com, which features new content and enhanced functionality built to deliver a greater customer experience.

With a refreshed, contemporary look and feel, the new site includes a wide range of enhancements, including better navigation and search capability to help customers efficiently maneuver through the wide selection of branded and Henry Schein private-brand products, and gain easy access to the many other technology, clinical, business and supply chain solutions featured on the site.

Developed using responsive design, the website is compatible with all mobile devices and tablets and is optimized for today's browsers. Changes to the website are being phased in, beginning with the Henry Schein Dental website, which has been redesigned to offer improved product presentation. This includes expanded descriptions and photos, allowing customers to access the company's full solutions portfolio for dental practices and dental laboratories.

"Henry Schein is committed to offering innovative health care solutions that our customers can rely on to succeed in today's digital environment," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer, Henry Schein, Inc. "Our new website will be a trusted platform for quick and easy access to these solutions and represents the latest evolution in the company's enduring commitment to being the best partner for our customers."

The new site also introduces a thought leadership video series featuring insights from key opinion leaders and industry experts representing the fields of dentistry, animal health and medicine. Each video highlights a critical issue that is shaping today's health care industry. Additional features of the redesigned website include:

- An updated career portal featuring the uniqueness of the Team Schein culture and employment opportunities; and
- Success stories from health care professionals, equipped with supplies donated by Henry Schein and the Henry Schein Cares Foundation, who are expanding access to care for at-risk and underserved populations around the world.

"The introduction of new website features and functionality advances our strategy of using digital technology to enhance the practitioner's journey with Henry Schein," said Dave McKinley, Chief Commercial Officer, Henry Schein, Inc. "We look forward to rolling out additional enhancements in the latter part of 2017 that will further increase engagement with our customers, drive visibility for the value that Henry Schein offers, and deliver the ultimate customer experience."
