MELVILLE, N.Y.--(BUSINESS WIRE)--Sep. 4, 2019-- Henry Schein, Inc. (Nasdaq: HSIC) today announced its lineup of new solutions and events to be featured during the ADA FDI [World Dental Congress](#), presented by the American Dental Association (ADA) and FDI World Dental Federation, from September 5 to 7, 2019 in San Francisco, CA.

Visitors to the Congress will have the opportunity to learn why oral health professionals rely on Henry Schein to help their practices succeed in every aspect of dentistry, with an expansive portfolio of digital solutions (booth #5545), practice management through Henry Schein One (booth #5345), and business solutions through Henry Schein Financial Services and Professional Practice Transitions (booths #5645, and #5541).

The company is also hosting a series of live product demonstrations featuring the latest digital scanning devices and milling systems, as well as hosting thought-leader discussions via #ScheinChats, Henry Schein's signature social media series available on Facebook Live. Company representatives will be available to help customers create a seamless digital workflow while improving clinical outcomes and operational success.

"The ADA FDI World Dental Congress is an exciting time for us to share our portfolio of solutions and industry expertise with the dental profession," said A.J. Caffentzis, President, U.S. Dental Distribution, Henry Schein. "With the business of dentistry changing at a rapid pace, Henry Schein customers can rely on us to provide a wide variety of products and solutions, paired with personalized customer service that will help them navigate these changes, and drive success in their practices."

Featured Solutions to Optimize Practice Efficiency

Throughout the meeting, Henry Schein will showcase digital technology solutions, including lasers, scanners, and milling units. Members of the Henry Schein Dental leadership team, along with representatives from 3Shape, A-dec, Dentsply Sirona, Planmeca, and Convergent Dental, will be available to answer questions, suggest customized solutions, and demonstrate new products, such as 3Shape TRIOS® Move, 3Shape TRIOS® 3 Basic, the A-dec 500 chair, and Dentsply Sirona CEREC® Primescan. Representatives from Convergent Dental will also be available to demonstrate the Solea laser, a new addition to the Henry Schein Dental portfolio.

In addition to product demonstrations, meeting attendees can learn about Henry Schein One's comprehensive approach to offer a solutions portfolio that helps dental professionals improve several aspects of their business by combining leading practice management, marketing, and patient engagement solutions into one connected system. The Henry Schein One in-booth theater showcases these solutions, delivering an immersive exploration of the journey a patient takes with the dental team – inside and outside the dental office.

Engaging Thought Leadership Conversations with Industry Leaders

The Henry Schein Media booth (#5540) will serve as the broadcast center, featuring [#scheinchats](#), the company's signature social media series available on Facebook Live that provides engaging conversations offering perspectives from oral health professionals, nonprofits and industry-leading supplier partners.
