MELVILLE, N.Y.--(BUSINESS WIRE)--Feb. 18, 2020-- Henry Schein, Inc. (Nasdaq:HSIC), today announced its lineup of new solutions and product offerings for the 2020 Chicago Midwinter (CMW) Dental Meeting, taking place February 20-22, 2020. Visitors to the Henry Schein Dental booth (#3019) can explore a variety of new digital technology solutions, exclusive products, business solutions, office space-planning services, repair solutions, and practice transitions and financial services. At the Henry Schein One booth (#3015), visitors can explore various practice management solutions that contribute to the patient journey and create a seamless practice management workflow.

Featured Solutions to Enhance Practice Efficiency

Throughout the show, Henry Schein will demonstrate the latest digital technology solutions, including lasers, scanners, and milling units. Members of the Henry Schein Dental sales leadership team, along with representatives from 3Shape, A-dec, Amann Girrbach, Convergent Dental, Dentsply Sirona, KaVo Kerr, and Planmeca will be available to answer questions, suggest customized solutions, and demonstrate products, such as 3Shape TRIOS® MOVE, 3Shape TRIOS® 4, the A-dec 500 chair, Convergent Dental Solea® Dental Laser, KaVo OP 3D™, and Dentsply Sirona CEREC® Primescan. Representatives will also be available to demonstrate three new products premiering at CMW, including the new Amann Girrbach PL900S mill, Dentsply Sirona CEREC® Primemill, and Planmeca Emerald S Scanner. Attendees can also trade in their DEXIS sensors for DEXIS Titanium at the CMW meeting, exclusively through Henry Schein Dental in partnership with Envista.

In addition, Henry Schein's Exclusive Product Specialists will be on site presenting the Clinician's Choice Bluewave™ Laser, Reveal™ Clear Aligners, the Wand® by Milestone Scientific, and other products exclusively available through Henry Schein Dental.

"The dental industry is always changing, with digital technology impacting every step of the patient experience," said AJ Caffentzis, President, U.S. Dental Distribution. "The Chicago Midwinter Dental Meeting is a great opportunity for us to reinforce why dental professionals rely on us to provide efficient solutions and integrated technologies designed to help our customers operate a productive practice, attain business goals, and deliver of quality patient care."

Practice Management in the Patient Workflow

Henry Schein One will present its portfolio of practice management and practice marketing software solutions at booth #3015 to help customers attract new patients and improve the patient experience, including Dentrix Smart Image™ 2.0, the latest upgrade to Dentrix Smart Image. Building on the success of the original version, Dentrix Smart Image 2.0 adds new enhancements to help create a seamless practice management workflow. Dentrix Smart Image 2.0 automatically adds images to insurance claims, simplifies the manual attachment process by showing preview thumbnail images, and allows dental professionals to select and pin up to four images from multiple sources and image types in one location.

In addition to showcasing new solutions, Henry Schein One, in partnership with CareCredit, will accept the Best New/Updated Software/Service award from DrBicuspid for the recent integration of CareCredit solutions into Dentrix®.
