

Henry Schein to Showcase Diverse Portfolio of Products at the AAOMS Annual Conference, Sept. 12 – 17, 2022

September 12, 2022

Company Committed to Providing Oral Surgeons with a Comprehensive Array of Dental and Medical Solutions

MELVILLE, N.Y.--(BUSINESS WIRE)--Sep. 12, 2022-- Henry Schein, Inc. (Nasdaq: HSIC) today announced its lineup of products and solutions at the American Association of Oral and Maxillofacial Surgeons (AAOMS) Annual Conference in New Orleans, La. from September 12 through September 17.

Visitors at Henry Schein's booth (#801) can explore the Company's vast surgical product offerings that help meet the unique needs of oral surgeons, and attendees can speak with Henry Schein Dental representatives as well as Henry Schein Surgical Solutions Specialists, who exclusively serve the ambulatory surgery center and oral and maxillofacial surgery (OMS) markets.

Throughout the meeting, Henry Schein will present the latest technology, including 3D printers, intraoral scanners, air purification systems, and emergency medication management, patient monitoring, and anesthesia solutions. Members of the Henry Schein Dental and Henry Schein Surgical Solutions teams, along with representatives from HealthFirst, a subsidiary of Henry Schein, will be available to answer questions and suggest customized solutions. Product demonstrations will include the Avante Anesthesia Portable Unit, HealthFirst AED, HealthFirst ActivePure™ Surface and Air Guardian, HealthFirst Crash Cart, Mindray Patient Monitor, Mindray Anesthesia System, Planmeca Emerald S and Planmeca's Romexis software, Primescan, Medit i700, and SprintRay Procure Wash/Dry Ecosystem.

Henry Schein representatives will also be available to discuss Henry Schein® Brand Products, which includes sutures, gauzes, surgical gloves, needles, and intravenous therapy sets. Attendees can also learn about Henry Schein's custom and standard oral surgery procedure kits, which contain the core components needed for surgery and help drive efficiencies in operating room set-up time.

"At Henry Schein, we have the products that oral and maxillofacial surgeons need to provide high-quality patient care," said Erica Smith, Surgical Solutions Manager at Henry Schein Medical. "Our Surgical Solutions team has the knowledge and expertise to support both the dental and medical sides of the profession.

"Because of our long track record supporting the needs of both dentists and physicians, oral and maxillofacial surgeons can rely on us as a one-stop-shop for all their facility essentials. We are dedicated to being trusted advisors and consultants to our customers, enabling them to enhance their efficiency and profitability. We look forward to connecting with our customers and the OMS community at this year's AAOMS conference," added Ms. Smith.
