

Henry Schein Expands Dental Equipment Product Offering With A-dec Line Of Dental Products

January 6, 2015

MELVILLE, N.Y., Jan. 6, 2015 /PRNewswire/ -- Henry Schein, Inc. (NASDAQ: HSIC), the world's largest provider of health care products and services to office-based dental, animal health and medical practitioners, announced today that effective second quarter of 2015, the Company will expand its dental equipment product offering and begin to distribute the entire line of A-dec dental equipment in North America. A-dec is a leading manufacturer of dental chairs, delivery systems, and dental lights.

Henry Schein's commitment to its dental customers has always been to provide the widest possible selection of products, equipment, and value-added services to create customized solutions that meet practice needs. The addition of the A-dec product line, combined with products manufactured by Henry Schein's other valued equipment supplier partners, furthers this commitment by providing greater access to the broadest range of dental equipment.

Henry Schein does not expect this to have a material impact on its 2015 financial results.

About A-dec Inc.

As the world's leading manufacturer of dental chairs, delivery systems, and dental lights, A-dec provides reliable dental equipment solutions to better the lives of dentists and their patients worldwide.

The 50-acre A-dec campus in Newberg, Oregon, includes state-of-the-art manufacturing facilities and the A-dec Education Center dedicated to learning and discovery. A-dec facilities in the United Kingdom, Australia, and China help support an extensive network of authorized dealers in more than 100 countries worldwide.

About Henry Schein, Inc.

Henry Schein, Inc. is the world's largest provider of health care products and services to office-based dental, animal health and medical practitioners. Cautionary Note Regarding Forward-Looking Statements

In accordance with the "Safe Harbor" provisions of the Private Securities Litigation Reform Act of 1995, we provide the following cautionary remarks regarding important factors that, among others, could cause future results to differ materially from the forward-looking statements, expectations and assumptions expressed or implied herein. All forward-looking statements made by us are subject to risks and uncertainties and are not guarantees of future performance. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance and achievements or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These statements are identified by the use of such terms as "may," "could," "expect," "intend," "believe," "plan," "estimate," "forecast," "project," "anticipate" or other comparable terms. A full discussion of our operations and financial condition, including factors that may affect our business and future prospects, is contained in documents we have filed with the SEC and will be contained in all subsequent periodic filings we make with the SEC. These documents identify in detail important risk factors that could cause our actual performance to differ materially from current expectations.

Risk factors and uncertainties that could cause actual results to differ materially from current and historical results include, but are not limited to: effects of a highly competitive market; our dependence on third parties for the manufacture and supply of our products; our dependence upon sales personnel, customers, suppliers and manufacturers; our dependence on our senior management; fluctuations in quarterly earnings; risks from expansion of customer purchasing power and multi-tiered costing structures; possible increases in the cost of shipping our products or other service issues with our third-party shippers; general global macroeconomic conditions; disruptions in financial markets; possible volatility of the market price of our common stock; changes in the health care industry; implementation of health care laws; failure to comply with regulatory requirements and data privacy laws; risks associated with our global operations; transitional challenges associated with acquisitions and joint ventures, including the failure to achieve anticipated synergies; financial risks associated with acquisitions and joint ventures; litigation risks; the dependence on our continued product development, technical support and successful marketing in the technology segment; risks from challenges associated with the emergence of potential increased competition by third party online commerce sites; risks from disruption to our information systems; certain provisions in our governing documents that may discourage third-party acquisitions of us; and changes in tax legislation. The order in which these factors appear should not be construed to indicate their relative importance or priority.

We caution that these factors may not be exhaustive and that many of these factors are beyond our ability to control or predict. Accordingly, any forward-looking statements contained herein should not be relied upon as a prediction of actual results. We undertake no duty and have no obligation to update forward-looking statements.
