1.4. Authorization of Shelf Notes. The Company may, from time to time, authorize the issue of its senior promissory notes (the “**Shelf Notes**”, such term to include any such notes issued in substitution thereof pursuant to Section 14) in an aggregate principal amount not to exceed \$250,000,000, to be dated the date of issue thereof, to mature, in the case of each Shelf Note so issued, no more than 15 years after the date of original issuance thereof, to have an average life, in the case of each Shelf Note so issued, of no more than 12 years after the date of original issuance thereof, to bear interest on the unpaid balance thereof from the date thereof at the rate per annum, and to have such other particular terms, as shall be set forth, in the case of each Shelf Note so issued, in the Confirmation of Acceptance with respect to such Note delivered pursuant to Section 2.5, to be substantially in the form of Exhibit 1.4 attached hereto. The terms “**Note**” and “**Notes**” as used herein shall include the Series 2010-A Notes, the Series 2012-A Notes, the Series 2012-B Notes, the Series 2014-A Notes, the Series 2017-A Notes and each Shelf Note delivered pursuant to any provision of this Agreement and each Note delivered in substitution or exchange for any such Note pursuant to any such provision. Notes which have (i) the same final maturity, (ii) the same principal prepayment dates, (iii) the same principal prepayment amounts (as a percentage of the original principal amount of each Note), (iv) the same interest rate, (v) the same interest payment dates, (vi) the same interest payment periods, and (vii) the same date of issuance (which, in the case of a Note issued in exchange for another Note, shall be deemed for these purposes the date on which such Note’s ultimate predecessor Note was issued), are herein called a “**Series**” of Notes. Certain capitalized and other terms used in this Agreement are defined in Schedule B; and references to a “**Schedule**” or an “**Exhibit**” are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

2. SALE AND PURCHASE OF SHELF NOTES.

2.1. Facility. Prudential is willing to consider, in its sole discretion and within limits which may be authorized for purchase by Prudential Affiliates from time to time, the purchase of Shelf Notes pursuant to this Agreement. The willingness of Prudential to consider such purchase of Shelf Notes is herein called the “**Facility**”. At any time, the aggregate principal amount of Shelf Notes stated in Section 1, minus the aggregate principal amount of Shelf Notes purchased and sold pursuant to this Agreement prior to such time, minus the aggregate principal amount of Accepted Notes (as hereinafter defined) which have not yet been purchased and sold hereunder prior to such time, is herein called the “**Available Facility Amount**” at such time. **NOTWITHSTANDING THE WILLINGNESS OF PRUDENTIAL TO CONSIDER PURCHASES OF SHELF NOTES BY PRUDENTIAL AFFILIATES, THIS AGREEMENT IS ENTERED INTO ON THE EXPRESS UNDERSTANDING THAT NEITHER PRUDENTIAL NOR ANY PRUDENTIAL AFFILIATE SHALL BE OBLIGATED TO MAKE OR ACCEPT OFFERS TO PURCHASE SHELF NOTES, OR TO QUOTE RATES, SPREADS OR OTHER TERMS WITH RESPECT TO SPECIFIC PURCHASES OF SHELF NOTES, AND THE FACILITY SHALL IN NO WAY BE CONSTRUED AS A COMMITMENT BY PRUDENTIAL OR ANY PRUDENTIAL AFFILIATE.**

2.2. Issuance Period. Shelf Notes may be issued and sold pursuant to this Agreement until the earlier of (i) September 15, 2020 and (ii) the thirtieth day after Prudential shall have given to the Company, or the Company shall have given to Prudential, a written notice stating that it elects to terminate the issuance and sale of Shelf Notes pursuant to this Agreement (or if such thirtieth day is not a Business Day, the Business Day next preceding such thirtieth day). The period during which Shelf Notes may be issued and sold pursuant to this Agreement is herein called the “**Issuance Period**”.

2.3. Request for Purchase. The Company may from time to time during the Issuance Period make requests for purchases of Shelf Notes (each such request being herein called a “**Request for Purchase**”). Each Request for Purchase shall be made to Prudential by fax, email or overnight delivery service, and shall (i) specify the aggregate principal amount of Shelf Notes covered thereby, which shall not be less than \$5,000,000 and not be greater than the Available Facility Amount at the time such Request for Purchase is made, (ii) specify the principal amounts, final maturities and principal prepayment dates and amounts of the Shelf Notes covered thereby, (iii) specify the use of proceeds of such Shelf Notes, (iv) specify whether interest payments are to be made quarterly or semi-annually, (v) specify the proposed day for the closing of the purchase and sale of such Shelf Notes, which shall be a Business Day during the Issuance Period not less than 10 days and not more than 30 days after the making of such Request for Purchase, (vi) specify the number of the account and the name and address of the depository institution to which the purchase prices of such Shelf Notes are to be transferred on the Closing Day for such purchase and sale, (vii) certify that the representations and warranties contained in Section 5 are true in all material respects on and as of the date of such Request for Purchase and that there exists on the date of such Request for Purchase no Event of Default or Default, and (viii) be substantially in the form of Exhibit 2 attached hereto. Each Request for Purchase shall be in writing signed by the Company and shall be deemed made when received by Prudential.

2.4. Rate Quotes. Not later than five Business Days after the Company shall have given Prudential a Request for Purchase pursuant to Section 2.3, Prudential may, but shall be under no obligation to, provide to the Company by telephone, fax or e-mail, in each case between 9:30 A.M. and 1:30 P.M. New York City local time (or such later time as Prudential may elect) interest rate quotes for principal amounts, maturities and principal prepayment schedules and interest payment periods (whether quarterly or semi-annually) of Shelf Notes specified in such Request for Purchase (each such interest rate quote provided in response to a Request for Purchase herein called a “**Quotation**”). Each Quotation shall represent the interest rate per annum payable on the outstanding principal balance of such Shelf Notes at which Prudential or a Prudential Affiliate would be willing to purchase such Shelf Notes at 100% of the principal amount thereof.

2.5. Acceptance. Within the Acceptance Window, an Authorized Officer of the Company may, subject to Section 2.6, elect to accept on behalf of the Company a Quotation as to the aggregate principal amount of the Shelf Notes specified in the related Request for Purchase (each such Shelf Note being herein called an “**Accepted Note**” and such acceptance being herein called an “**Acceptance**”). The day the Company notifies Prudential of an Acceptance with respect to any Accepted Notes is herein called the “**Acceptance Day**” for such Accepted Notes. Any Quotation as to which Prudential does not receive an Acceptance within the Acceptance Window shall expire, and no purchase or sale of Shelf Notes hereunder shall be made based on any such expired Quotation. Subject to Section 2.6 and the other terms and conditions hereof, the Company agrees to sell to a Prudential Affiliate, and Prudential agrees to cause the purchase by a Prudential Affiliate of, the Accepted Notes at 100% of the principal amount of such Notes. As soon as practicable following the Acceptance Day, the Company, Prudential and each Prudential Affiliate which is to purchase any such Accepted Notes will execute a confirmation of

such Acceptance substantially in the form of Exhibit 3 attached hereto (herein called a “**Confirmation of Acceptance**”). If the Company should fail to execute and return to Prudential within three Business Days following the Company’s receipt thereof a Confirmation of Acceptance with respect to any Accepted Notes, Prudential may at its election at any time prior to Prudential’s receipt thereof cancel the closing with respect to such Accepted Notes by so notifying the Company in writing.

2.6. Market Disruption. Notwithstanding the provisions of Section 2.5, any Quotation provided pursuant to Section 2.4 shall expire if, prior to the time an Acceptance with respect to such Quotation shall have been notified to Prudential in accordance with Section 2.5, in the case of any Shelf Notes, the domestic market for U.S. Treasury securities or derivatives shall have closed or there shall have occurred a general suspension, material limitation, or significant disruption of trading in securities generally on the New York Stock Exchange or in the domestic market for U.S. Treasury securities or derivatives. No purchase or sale of Shelf Notes hereunder shall be made based on such expired Quotation. If the Company thereafter notifies Prudential of the Acceptance of any such Quotation, such Acceptance shall be ineffective for all purposes of this Agreement, and Prudential shall promptly notify the Company that the provisions of this Section 2.6 are applicable with respect to such Acceptance.

2.7. Fees.

(a) **Structuring Fee.** In consideration for the time, effort and expense involved in the preparation, negotiation and execution of this Agreement, at the time of the execution and delivery of this Agreement by the Company and Prudential, the Company will pay to Prudential in immediately available funds a mutually agreed upon fee (herein called the “**Structuring Fee**”).

(b) **Delayed Delivery Fee.** If the closing of the purchase and sale of any Accepted Note is delayed for any reason beyond the original Closing Day for such Accepted Note, the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note on the Cancellation Date or actual closing date of such purchase and sale, an amount (herein called the “**Delayed Delivery Fee**”) equal to the product of (1) the amount determined by Prudential to be the amount by which the bond equivalent yield per annum of such Accepted Note exceeds the investment rate per annum on an alternative Dollar investment of the highest quality selected by Prudential and having a maturity date or dates the same as, or closest to, the Rescheduled Closing Day from time to time fixed for the delayed delivery of such Accepted Note, (2) the principal amount of such Accepted Note, and (3) a fraction the numerator of which is equal to the number of actual days elapsed from and including the original Closing Day for such Accepted Note to but excluding the date of such payment, and the denominator of which is 360. In no case shall the Delayed Delivery Fee be less than zero. Nothing contained herein shall obligate any Purchaser to purchase any Accepted Note on any day other than the Closing Day for such Accepted Note, as the same may be rescheduled from time to time in compliance with Section 3.2.

(c) **Cancellation Fee.** If, on or after the Acceptance Day, the Company at any time notifies Prudential in writing that the Company is canceling the closing of the purchase and sale of any Accepted Note, or if Prudential notifies the Company in writing under the circumstances set forth in the last sentence of Section 2.5 or the penultimate sentence of Section 3.2 that the closing of the purchase and sale of such Accepted Note is to be canceled, or if the closing of the purchase and sale of such Accepted Note is not consummated on or prior to the last day of the Issuance Period (the date of any such notification, or the last day of the Issuance Period, as the case may be, being herein called the “**Cancellation Date**”), the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note no later than one Business Day after the Cancellation Date in immediately available funds an amount (the “**Cancellation Fee**”) equal to the product of (1) the principal amount of such Accepted Note and (2) the quotient (expressed in decimals) obtained by dividing (y) the excess of the ask price (as determined by Prudential) of the Hedge Treasury Note(s) on the Cancellation Date over the bid price (as determined by Prudential) of the Hedge Treasury Note(s) on the Acceptance Day for such Accepted Note by (z) such bid price, with the foregoing bid and ask prices as reported on the Bridge\Telerate Service, or if such information ceases to be available on the Bridge\Telerate Service, any publicly available source of such market data selected by Prudential, and rounded to the second decimal place.

3. CLOSING.

(New York City local time) on the Closing Day for any Accepted Notes, the Company will deliver to each Purchaser listed in the Confirmation of Acceptance relating thereto at the offices of Prudential Capital Group, 1114 Avenue of the Americas, 30th Floor, New York, NY 10036, Attention: Law Department, or at such other place pursuant to the written directions of Prudential to the Company, the Accepted Notes to be purchased by such Purchaser in the form of one or more Notes in authorized denominations as such Purchaser may request for each Series of Accepted Notes to be purchased on the Closing Day, dated the Closing Day and registered in such Purchaser’s name (or in the name of its nominee), against payment of the purchase price thereof by transfer of immediately available funds for credit to the Company’s account specified in the Request for Purchase of such Notes. The Restatement Closing and each Shelf Closing are hereafter sometimes each referred to as a “**Closing**”.

3.2. Rescheduled Facility Closings. If the Company fails to tender to any Purchaser the Accepted Notes to be purchased by such Purchaser on the scheduled Closing Day for such Accepted Notes as provided above in Section 3.1, or any of the conditions specified in Section 4 shall not have been fulfilled by the time required on such scheduled Closing Day, the Company shall, prior to 2:00 P.M., New York City local time, on such scheduled Closing Day notify Prudential (which notification shall be deemed received by each Purchaser) in writing whether (a) such closing is to be rescheduled (such rescheduled date to be a Business Day during the Issuance Period not less than one Business Day and not more than 10 Business Days after such scheduled Closing Day (the “**Rescheduled Closing Day**”)) and certify to Prudential (which certification shall be for the benefit of each Purchaser) that the Company reasonably believes that it will be able to comply with the conditions set forth in Section 4 on such Rescheduled Closing Day and that the Company will pay the Delayed Delivery Fee in accordance with Section 2.7(b) or (b) such closing is to be canceled. In the event that the Company shall fail to give such notice

referred to in the second preceding sentence, Prudential (on behalf of each Purchaser) may at its election, at any time after 2:00 P.M., New York City local time, on such scheduled Closing Day, notify the Company in writing that such closing is to be canceled. Notwithstanding anything to the contrary appearing in this Agreement, the Company may not elect to reschedule a closing with respect to any given Accepted Notes on more than one occasion, unless Prudential shall have otherwise consented in writing.

4. CONDITIONS TO CLOSING.

Each Series of Shelf Notes shall be subject to required prepayments, if any, set forth in the Notes of such Series, provided that upon any partial prepayment of the Shelf Notes of any Series pursuant to Section 8.2, 8.7 or 8.8, the principal amount of each required prepayment of the Shelf Notes of such Series becoming due under this Section 8.1 on and after the date of such prepayment shall be reduced in the same proportion as the aggregate unpaid principal amount of the Shelf Notes of such Series is reduced as a result of such prepayment.

8.2. Optional Prepayments with Make-Whole Amount.

The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, any Series of Notes, in a principal amount of \$1,000,000 or any integral multiple of \$100,000 in excess thereof in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of the Series of Notes to be prepaid written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Series of Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of the Series of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

8.3. Allocation of Partial Prepayments.

In the case of each partial prepayment of the Notes of any Series pursuant to Section 8.2, the principal amount of the Notes of such Series to be prepaid shall be allocated among all of the Notes of such Series at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

8.4. Maturity; Surrender, Etc.

In the case of each prepayment of Notes of any Series pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

8.5. Purchase of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment or prepayment of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

8.6. Make-Whole Amount.

The term “**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2, Section 8.7 or Section 8.8 or has become or is declared to be immediately due and payable pursuant to Section 12.1.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by (i) the yields reported as of 10:00 A.M. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on the run U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable (including by way of interpolation), the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. In the case of each determination under clause (i) or clause (ii), as the case may be, of the preceding sentence, such implied yield will be determined, if necessary, by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the applicable U.S. Treasury security with the maturity closest to and greater than such Remaining Average Life and (2) the applicable U.S. Treasury security with the maturity closest to and less than such Remaining Average Life. The Reinvestment Yield will be rounded to that number of decimals as appears in the coupon for the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2, Section 8.7, Section 8.8 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2, Section 8.7 or Section 8.8 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

If a holder does not notify the Company as provided above, then the holder shall be deemed to have accepted such offer.

(b) Two Business Days prior to the prepayment date specified in the Company Notice, the Company shall deliver to each holder of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the prepayment date.

(c) On the prepayment date specified in the Company Notice, the entire unpaid principal amount of the Notes held by each holder of Notes who has accepted such prepayment offer (in accordance with paragraph (a) above), together with interest thereon to the prepayment date with respect to each such Note and the Make-Whole Amount with respect thereto shall become due and payable.

(b) On the prepayment date specified in the Disposition Prepayment Notice, the appropriate portion of unpaid principal amount of the Notes held by each holder of a Note, together with the accrued and unpaid interest thereon to the prepayment date and the Make-Whole Amount, if any, shall become due and payable.

The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities engaged in the same or a similar business and similarly situated.

9.3. Maintenance of Properties.

The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties necessary in the operation of their business in good repair, working order and condition (other than ordinary wear and tear), provided that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.4. Payment of Taxes and Claims.

9.6. Books and Records.

The Company will, and will cause each of its Subsidiaries to, maintain, in all material respects, proper books of record and account in conformity with GAAP and all material applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be.

(b) The Company may, from time to time at its discretion and upon written notice from the Company to the holders of Notes, cause any of its Subsidiaries which are not otherwise Subsidiary Guarantors pursuant to Section 9.8(a) to enter into a Subsidiary Guarantee substantially in the form of Exhibit 9.8 hereto (with such modifications as may be required to reflect the legal requirements of the jurisdiction of incorporation of the relevant Subsidiary, including any modifications necessary to make the obligations of such guarantee agreement *pari passu* with the other unsecured and unsubordinated Indebtedness of such Subsidiary) or otherwise in form and substance reasonably satisfactory to the Required Holders (an “**Optional Subsidiary Guarantee**”). An original executed counterpart of each such Subsidiary Guarantee shall be delivered to each holder of Notes promptly after the execution thereof.

(d) In the event that an Additional Subsidiary Guarantor at any time ceases to guarantee the obligations of the Company or other Group members under any Principal Credit Facility and is no longer a borrower or other obligor under any Principal Credit Facility, the Company may upon written notice to the holders of the Notes referring to this Section 9.8(d), which notices shall be accompanied by an Officer's Certificate certifying as to the matters set forth in clauses (i) and (ii) below, terminate the Subsidiary Guarantee issued by such Additional Subsidiary Guarantor with effect from the date of such notice so long as (i) no Default or Event of Default shall have occurred and then be continuing or shall result therefrom (including, without limitation, an Event of Default arising from a breach of Section 10.6 following the termination of such Subsidiary Guarantee), and (ii) no payment by such Subsidiary Guarantor is due under such Subsidiary Guarantor's Subsidiary Guarantee.

12. REMEDIES ON DEFAULT, ETC.

12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in Section 11(g) or (h) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, without limitation, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2. Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. Rescission.

At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts that have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4. No Waivers or Election of Remedies, Expenses, Etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

13.1. Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

13.2. Transfer and Exchange of Notes.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18) for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other details for notices of each transferee of such Note or part thereof) within ten Business Days thereafter the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) of the same Series as such surrendered Note in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of (a) Exhibit 1.3(a), in the case of a Series 2010-A Note, (b) Exhibit 1.3(b), in the case of a Series 2012-A Note, (c) Exhibit 1.3(c), in the case of a Series 2012-B Note, (d) Exhibit 1.3(d), in the case of a Series 2014-A Note, (e) Exhibit 1.3(e), in the case of a Series 2017-A Note, or (f) Exhibit 1.4, in the case of a Shelf Note. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

13.3. Replacement of Notes.

Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same Series as such lost, stolen, destroyed or mutilated Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

14. PAYMENTS ON NOTES.

14.1. Place of Payment.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York, at the principal office of JPMorgan Chase Bank, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

14.2. Home Office Payment.

So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest and all other amounts by the method and at the address specified for such purpose below such Purchaser's name in Schedule A (in the case of Series 2010-A Notes, Series 2012-A Notes, Series 2012-B Notes, Series 2014-A Notes or Series 2017-A Notes) or as specified in such Purchaser's Confirmation of Acceptance (in the case of a Shelf Note), or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

15. EXPENSES, ETC.

15.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all reasonable and invoiced costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes

or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, provided that such costs and expenses under this clause (c) shall not exceed \$3,000 per Series of Notes. The Company will pay, and will save Prudential, each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes). On the date hereof, the Company shall have paid the reasonable, documented and invoiced fees and disbursements of Prudential's special counsel, Morgan, Lewis & Bockius LLP, as evidenced by a statement of such counsel rendered to the Company at least one Business Day prior to the date hereof.

15.2. Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

17.1. Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, (b) (i) with the written consent of Prudential (and without the consent of any other holder of Notes), the provisions of Section 1.4 or 2 may be amended or waived (except insofar as any such amendment or waiver would affect any rights or obligations with respect to the purchase and sale

of Notes which shall have become Accepted Notes prior to such amendment or waiver), and (ii) with the written consent of all of the Purchasers which shall have become obligated to purchase Accepted Notes of any Series (and not without the written consent of all such Purchasers), any of the provisions of Sections 2.2 and 4 may be amended or waived insofar as such amendment or waiver would affect only rights or obligations with respect to the purchase and sale of the Accepted Notes of such Series or the terms and provisions of such Accepted Notes and (c) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend Section 8, 11(a), 11(b), 12, 17 or 20.

17.2. Solicitation of Holders of Notes.

(a) Solicitation. The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes, unless such proposed amendment, waiver or consent relates only to a specific Series of Accepted Notes which have not yet been purchased, in which case such information will only be required to be delivered to the Purchasers which shall have become obligated to purchase Accepted Notes of such Series. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof or of any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

17.3. Binding Effect, Etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note.

17.4. Notes Held by Company, Etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement (or any related document, certificate or agreement) that is proprietary or confidential in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its financial advisors

and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

Each Purchaser shall have the right to substitute any one of its Affiliates as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a Purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

22. MISCELLANEOUS.

22.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

22.2. Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided that, if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

22.3. Accounting Terms and Covenant Calculations.

(a) All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, all computations made pursuant to this Agreement shall be made in accordance with GAAP, and all financial statements shall be prepared in accordance with GAAP.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with the covenants in this Agreement, any election by the Company or any Subsidiary to measure any portion of a non-derivative financial liability at fair value (as permitted by IAS 39 or any similar accounting standard), other than to reflect any hedging of such non-derivative financial liability (including both interest rate and foreign currency hedges), shall be disregarded and such determination shall be made as if such election had not been made.

(c) As used in this Agreement, accounting terms relating to the Company and its Subsidiaries not defined in Schedule B, and accounting terms partly defined in Schedule B, but only to the extent not so defined, shall have the respective meanings given to them under GAAP. If at any time any change in GAAP or in the manner in which the Company shall be required or permitted to disclose its financial results in its filings with the Securities and Exchange Commission (i.e., a change which is inconsistent with the manner disclosed by the Company in its Annual Report on Form 10-K for the fiscal year ended December 31, 2016) would affect the computation of any financial ratio or requirement set forth in this Agreement, and either the Company or the Required Holders shall so request, the holders of Notes and the Company shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change (subject to the approval of the Required Holders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP and as calculated consistent with the manner disclosed by the Company in its Annual Report on Form 10- K for the fiscal year ended December 31, 2016 prior to such change therein and (ii) the Company shall provide to the holders of Notes financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change.

(d) Any financial ratios required to be maintained by the Company pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

22.4. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

22.5. Construction, Etc.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

22.6. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

22.7. Governing Law.

This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

22.8. Jurisdiction and Process; Waiver of Jury Trial.

(a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Nothing in this Section 22.8 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(c) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HERewith OR THEREWITH.

* * * * *

If you are in agreement with the foregoing, please sign the form of agreement on a counterpart of this Agreement and return it to the Company, whereupon this Agreement shall become a binding agreement between you and the Company.

Very truly yours,

(the “**Company**”), on the one hand, and PGIM, Inc. (“**Prudential**”) and each Prudential Affiliate which becomes party thereto, on the other hand.

Each of the Shelf Agreement, the Request for Purchase, the Confirmation of Acceptance and the Notes constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its respective terms. Each Subsidiary Guarantee constitutes a legal, valid and binding obligation of the respective Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms.

No consents, approvals or authorizations of Governmental Authorities of the State of New York or the United States of America are required under the laws of the United States of America or the State of New York on behalf of the Company or any Subsidiary Guarantor in connection with (a) the execution and delivery by the Company or any Subsidiary Guarantor of the documents to which it is a party, or (b) the offer, issuance, sale and delivery of the Notes by the Company.

Each Chosen-Law Provision is enforceable in accordance with New York General Obligations Law section 5-1401, as applied by a New York State court or a federal court sitting in New York and applying New York choice of law principles.

Under the circumstances contemplated by the Shelf Agreement, the Request for Purchase, the Confirmation of Acceptance and the Notes, it is not necessary to register the offer and sale of the Notes or the Subsidiary Guarantees under the Securities Act of 1933, as amended, or to qualify an indenture in respect of the issuance of the Notes under the Trust Indenture Act of 1939, as amended.

III. Pursuant to the Shelf Agreement, the Company is required or has chosen to cause the Guarantor to deliver this Guarantee Agreement to the holders.

IV. The Guarantor has received and will receive direct and indirect benefits from the financing arrangements contemplated by the Shelf Agreement. The [Board of Directors] of the Guarantor has determined that the incurrence of such obligations is in the best interests of the Guarantor.

NOW THEREFORE, in compliance with the Shelf Agreement, and in consideration of, the execution and delivery of the Shelf Agreement and the purchase of the Notes by each of the Purchasers, the Guarantor hereby covenants and agrees with, and represents and warrants to each of the holders as follows:

1. GUARANTEE; INDEMNITY.

1.1 GUARANTEE. The Guarantor hereby irrevocably and unconditionally guarantees to each holder, the due and punctual payment in full of (a) the principal of, Make-Whole Amount, if any, and interest on (including, without limitation, any Acquisition Spike and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding), and any other amounts due under, the Notes when and as the same shall become due and payable (whether at stated maturity or by required or optional prepayment or by acceleration or otherwise) and (b) any other sums which may become due under the terms and provisions of the Notes, the Shelf Agreement or any other instrument referred to therein (all such obligations described in clauses (a) and (b) above are herein called the “**Guaranteed Obligations**”). The guarantee in the preceding sentence is an absolute, present and continuing guarantee of payment and not of collectability and is in no way conditional or contingent upon any attempt to collect from the Company or any other guarantor of the Notes or upon any other action, occurrence or circumstance whatsoever. In the event that the Company shall fail so to pay any of such Guaranteed Obligations, the Guarantor agrees to pay the same when due to the holders entitled thereto, without demand, presentment, protest or notice of any kind, in lawful money of the United States of America, pursuant to the requirements for payment specified in the Notes and the Shelf Agreement. Each default in payment of any of the Guaranteed Obligations shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Guarantor agrees that the Notes issued in connection with the Shelf Agreement may (but need not) make reference to this Guarantee Agreement.

Exhibit 9.8-3

The Guarantor agrees to pay and to indemnify and save each holder harmless from and against any damage, loss, cost or expense (including attorneys' fees) which such holder may incur or be subject to as a consequence, direct or indirect, of (x) any breach by the Guarantor or by the Company of any warranty, covenant, term or condition in, or the occurrence of any default under, this Guarantee Agreement, the Notes, the Shelf Agreement or any other instrument referred to therein, together with all expenses resulting from the compromise or defense of any claims or liabilities arising as a result of any such breach or default, (y) any legal action commenced to challenge the validity or enforceability of this Guarantee Agreement, the Notes, the Shelf Agreement or any other instrument referred to therein and (z) enforcing or defending (or determining whether or how to enforce or defend) the provisions of this Guarantee Agreement.

The Guarantor hereby acknowledges and agrees that the Guarantor's liability hereunder is joint and several with any other Person(s) who may guarantee the obligations and Indebtedness under and in respect of the Notes and the Shelf Agreement.

Notwithstanding the foregoing provisions or any other provision of this Guarantee Agreement, the holders (by their acceptance of any Note) and the Guarantor hereby agree that if at any time the Guaranteed Obligations exceed the Maximum Guaranteed Amount determined as of such time with regard to the Guarantor, then this Guarantee Agreement shall be automatically amended to reduce the Guaranteed Obligations to the Maximum Guaranteed Amount. Such amendment shall not require the written consent of the Guarantor or any holder and shall be deemed to have been automatically consented to by the Guarantor and each holder. The Guarantor agrees that the Guaranteed Obligations may at any time exceed the Maximum Guaranteed Amount without affecting or impairing the obligation of the Guarantor. "**Maximum Guaranteed Amount**" means as of the date of determination with respect to the Guarantor, the lesser of (a) the amount of the Guaranteed Obligations outstanding on such date and (b) the maximum amount that would not render the Guarantor's liability under this Guarantee Agreement subject to avoidance under Section 548 of the United States Bankruptcy Code (or any successor provision) or any comparable provision of applicable state law.

1.2 INDEMNITY. The Guarantor hereby further agrees that if, for any reason, any amount claimed by a holder of the Notes under this Guarantee Agreement is not recoverable on the basis of a guarantee, it will be liable as a principal debtor and primary obligor to indemnify that holder of the Notes against any cost, loss or liability it incurs as a result of the Company not paying any amount expressed to be payable by it under the Notes, the Shelf Agreement or otherwise on the date when it is expressed to be due. The amount payable by the Guarantor under this Section 1.2 will not exceed the amount it would have had to pay under Section 1.1 if the amount claimed had been recoverable on the basis of a guarantee.

Exhibit 9.8-4

2. OBLIGATIONS ABSOLUTE.

The obligations of the Guarantor hereunder shall be primary, absolute, irrevocable and unconditional, irrespective of the validity or enforceability of the Notes, the Shelf Agreement or any other instrument referred to therein, shall not be subject to any counterclaim, setoff, deduction or defense based upon any claim the Guarantor may have against the Company or any holder or otherwise, and shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, any circumstance or condition whatsoever (whether or not the Guarantor shall have any knowledge or notice thereof), including, without limitation: (a) any amendment to, modification of, supplement to or restatement of the Notes, the Shelf Agreement or any other instrument referred to therein (it being agreed that the obligations of the Guarantor hereunder shall apply to the Notes, the Shelf Agreement or any such other instrument as so amended, modified, supplemented or restated) or any assignment or transfer of any thereof or of any interest therein, or any furnishing, acceptance or release of any security for the Notes; (b) any waiver, consent, extension, indulgence or other action or inaction under or in respect of the Notes, the Shelf Agreement or any other instrument referred to therein; (c) any bankruptcy, insolvency, arrangement, reorganization, readjustment, composition, liquidation or similar proceeding with respect to the Company or its property; (d) any merger, amalgamation or consolidation of the Guarantor or of the Company into or with any other Person or any sale, lease or transfer of any or all of the assets of the Guarantor or of the Company to any Person; (e) any failure on the part of the Company for any reason to comply with or perform any of the terms of any other agreement with the Guarantor; (f) any failure on the part of any holder to obtain, maintain, register or otherwise perfect any security; or (g) any other event or circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (whether or not similar to the foregoing), and in any event however material or prejudicial it may be to the Guarantor or to any subrogation, contribution or reimbursement rights the Guarantor may otherwise have. The Guarantor covenants that its obligations hereunder will not be discharged except by indefeasible payment in full in cash of all of the Guaranteed Obligations and all other obligations hereunder.

3. WAIVER.

The Guarantor unconditionally waives to the fullest extent permitted by law, (a) notice of acceptance hereof, of any action taken or omitted in reliance hereon and of any default by the Company in the payment of any amounts due under the Notes, the Shelf Agreement or any other instrument referred to therein, and of any of the matters referred to in Section 2 hereof, (b) all notices which may be required by statute, rule of law or otherwise to preserve any of the rights of any holder against the Guarantor, including, without limitation, presentment to or demand for payment from the Company or the Guarantor with respect to any Note, notice to the Company or to the Guarantor of default or protest for nonpayment or dishonor and the filing of claims with a court in the event of the bankruptcy of the Company, (c) any right to require any holder to enforce, assert or exercise any right, power or remedy including, without limitation, any right, power or remedy conferred in the Shelf Agreement or the Notes, (d) any requirement for diligence on the part of any holder and (e) any other act or omission or thing or delay in doing any other act or thing which might in any manner or to any extent vary the risk of the Guarantor or otherwise operate as a discharge of the Guarantor or in any manner lessen the obligations of the Guarantor hereunder.

4. OBLIGATIONS UNIMPAIRED.

The Guarantor authorizes the holders, without notice or demand to the Guarantor and without affecting its obligations hereunder, from time to time: (a) to renew, compromise, extend, accelerate or otherwise change the time for payment of, all or any part of the Notes, the Shelf Agreement or any other instrument referred to therein; (b) to change any of the representations, covenants, events of default or any other terms or conditions of or pertaining to the Notes, the Shelf Agreement or any other instrument referred to therein, including, without limitation, decreases or increases in amounts of principal, rates of interest, the Make-Whole Amount or any other obligation; (c) to take and hold security for the payment of the Notes, the Shelf Agreement or any other instrument referred to therein, for the performance of this Guarantee Agreement or otherwise for the Indebtedness guaranteed hereby and to exchange, enforce, waive, subordinate and release any such security; (d) to apply any such security and to direct the order or manner of sale thereof as the holders in their sole discretion may determine; (e) to obtain additional or substitute endorsers or guarantors; (f) to exercise or refrain from exercising any rights against the Company and others; and (g) to apply any sums, by whomsoever paid or however realized, to the payment of the Guaranteed Obligations and all other obligations owed hereunder. The holders shall have no obligation to proceed against any additional or substitute endorsers or guarantors or to pursue or exhaust any security provided by the Company, the Guarantor or any other Person or to pursue any other remedy available to the holders.

If an event permitting the acceleration of the maturity of the principal amount of any Notes shall exist and such acceleration shall at such time be prevented or the right of any holder to receive any payment on account of the Guaranteed Obligations shall at such time be delayed or otherwise affected by reason of the pendency against the Company, the Guarantor or any other guarantors of a case or proceeding under a bankruptcy or insolvency law, the Guarantor agrees that, for purposes of this Guarantee Agreement and its obligations hereunder, the maturity of such principal amount shall be deemed to have been accelerated with the same effect as if the holder thereof had accelerated the same in accordance with the terms of the Shelf Agreement, and the Guarantor shall forthwith pay such accelerated Guaranteed Obligations.

5. SUBROGATION AND SUBORDINATION.

(a) The Guarantor will not exercise any rights which it may have acquired by way of subrogation under this Guarantee Agreement, by any payment made hereunder or otherwise, or accept any payment on account of such subrogation rights, or any rights of reimbursement, contribution or indemnity or any rights or recourse to any security for the Notes or this Guarantee Agreement unless and until all of the Guaranteed Obligations shall have been indefeasibly paid in full in cash.

Exhibit 9.8-6

(b) The Guarantor hereby subordinates the payment of all Indebtedness and other obligations of the Company or any other guarantor of the Guaranteed Obligations owing to the Guarantor, whether now existing or hereafter arising, including, without limitation, all rights and claims described in clause (a) of this Section 5, to the indefeasible payment in full in cash of all of the Guaranteed Obligations. If the Required Holders so request, any such Indebtedness or other obligations shall be enforced and performance received by the Guarantor as trustee for the holders and the proceeds thereof shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of the Guarantor under this Guarantee Agreement.

(c) If any amount or other payment is made to or accepted by the Guarantor in violation of any of the preceding clauses (a) and (b) of this Section 5, such amount shall be deemed to have been paid to the Guarantor for the benefit of, and held in trust for the benefit of, the holders and shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of the Guarantor under this Guarantee Agreement.

(d) The Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Shelf Agreement and that its agreements set forth in this Guarantee Agreement (including this Section 5) are knowingly made in contemplation of such benefits.

6. REINSTATEMENT OF GUARANTEE.

This Guarantee Agreement shall continue to be effective, or be reinstated, as the case may be, if and to the extent at any time payment, in whole or in part, of any of the sums due to any holder on account of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by a holder upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company or any other guarantors, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Company or any other guarantors or any part of its or their property, or otherwise, all as though such payments had not been made.

7. RANK OF GUARANTEE.

The Guarantor will ensure that its payment obligations under this Guarantee Agreement will at all times rank at least *pari passu*, without preference or priority, with all other unsecured and unsubordinated Indebtedness of the Guarantor now or hereafter existing.

Except as otherwise provided in the fourth paragraph of Section 1.1 of this Guarantee Agreement, this Guarantee Agreement may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), with (and only with) the written consent of the Guarantor and the Required Holders, except that no amendment or waiver (a) of any of the first three paragraphs of Section 1.1 or any of Section 1.2 or any of the provisions of Section 2, 3, 4, 5, 6, 7, 9 or 11 hereof, or any defined term (as it is used therein), or (b) which results in the limitation of the liability of the Guarantor hereunder (except to the extent provided in the fourth paragraph of Section 1 of this Guarantee Agreement) will be effective as to any holder unless consented to by such holder in writing.

11.2 SOLICITATION OF HOLDERS OF NOTES.

(a) *Solicitation.* The Guarantor will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof. The Guarantor will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 11.2 to each holder promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Guarantor will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder as consideration for or as an inducement to the entering into by any holder of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder even if such holder did not consent to such waiver or amendment.

11.3 BINDING EFFECT. Any amendment or waiver consented to as provided in this Section 11 applies equally to all holders and is binding upon them and upon each future holder and upon the Guarantor without regard to whether any Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant or agreement not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Guarantor and the holder nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder. As used herein, the term “**this Guarantee Agreement**” and references thereto shall mean this Guarantee Agreement as it may be amended, modified, supplemented or restated from time to time.

11.4 NOTES HELD BY COMPANY, ETC. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Guarantee Agreement, or have directed the taking of any action provided herein to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Guarantor, the Company or any of their respective Affiliates shall be deemed not to be outstanding.

(b) if to any holder, to such holder at the addresses specified for such communications set forth in such holder’s Confirmation of Acceptance, or such other address as such holder shall have specified to the Guarantor in writing.

13. MISCELLANEOUS.

13.1 SUCCESSORS AND ASSIGNS. All covenants and other agreements contained in this Guarantee Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns whether so expressed or not.

13.2 SEVERABILITY. Any provision of this Guarantee Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law), not invalidate or render unenforceable such provision in any other jurisdiction.

13.3 CONSTRUCTION. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such express contrary provision) be deemed to excuse compliance with any other covenant. Whether any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

The section and subsection headings in this Guarantee Agreement are for convenience of reference only and shall neither be deemed to be a part of this Guarantee Agreement nor modify, define, expand or limit any of the terms or provisions hereof. All references herein to numbered sections, unless otherwise indicated, are to sections of this Guarantee Agreement. Words and definitions in the singular shall be read and construed as though in the plural and *vice versa*, and words in the masculine, neuter or feminine gender shall be read and construed as though in either of the other genders where the context so requires.

13.4 FURTHER ASSURANCES. The Guarantor agrees to execute and deliver all such instruments and take all such action as the Required Holders may from time to time reasonably request in order to effectuate fully the purposes of this Guarantee Agreement.

13.5 GOVERNING LAW. This Guarantee Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York, excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

13.6 JURISDICTION AND PROCESS; WAIVER OF JURY TRIAL.

(a) Each of the Guarantor and each holder irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Guarantee Agreement. To the fullest extent permitted by applicable law, each of the Guarantor and each holder of Notes irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each of the Guarantor and each holder consents to process being served by or on behalf of such Guarantor or any holder, as applicable, in any suit, action or proceeding of the nature referred to in Section 13.6(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 12 or at such other address of which such holder shall then have been notified pursuant to Section 12. Each

of the Guarantor and each holder agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 13.6 shall affect the right of any holder to serve process in any manner permitted by law, or limit any right that the holders may have to bring proceedings against the Guarantor in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE GUARANTOR AND THE HOLDERS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS GUARANTEE AGREEMENT OR OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH.

13.7 REPRODUCTION OF DOCUMENTS; EXECUTION. This Guarantee Agreement may be reproduced by any holder by any photographic, photostatic, electronic, digital, or other similar process and such holder may destroy any original document so reproduced. The Guarantor agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such holder in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 13.7 shall not prohibit the Guarantor or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction. A facsimile or electronic transmission of the signature page of the Guarantor shall be as effective as delivery of a manually executed counterpart hereof and shall be admissible into evidence for all purposes.

Exhibit 9.8-13

(b) Notwithstanding the foregoing, the representations and warranties of the Company set forth in Section 5 of the Original Master Note Facility shall be deemed to survive the amendment and restatement of the Original Master Note Facility, and the representations and warranties of the Company set forth in Section 5 of this Agreement shall be deemed to be additional representations and warranties of the Company made as of the date of this Agreement. Further, the representations and warranties of the Original Purchasers set forth in Section 6 of the Original Master Note Facility shall be deemed to survive the amendment and restatement of the Original Master Note Facility.

Section 1.3. Amendment and Restatement of Original Notes.

(a) The Company hereby agrees, and subject to the satisfaction of the conditions precedent set forth in Section 4 of this Agreement, each Series A Purchaser, by its execution of this Agreement, hereby agrees and consents to the amendment and restatement in their entirety of the Original Series A Notes, effective as of the Restatement Date, on the terms set forth in this Section 1.3(a). (b) The Company hereby agrees, and subject to the satisfaction of the conditions precedent set forth in Section 4 of this Agreement, each Series B Purchaser, by its execution of this Agreement, hereby agrees and consents to the amendment and restatement in their entirety

of the Original Series B Notes, effective as of the Restatement Date, on the terms set forth in this Section 1.3(b). Each Original Series B Note is hereby and shall be deemed to be, automatically and without any further action, amended and restated in its entirety in the form of Exhibit A-2 (as so amended and restated, and as may be further amended, restated, supplemented or otherwise modified from time to time, the “**Series B Notes**”, such term to include any such notes issued in substitution, replacement or exchange therefore pursuant to Section 13), except that the payee, date, registration number and principal amount set forth in each Original Series B Note shall remain the same; provided, however, at the request of any Series B Purchaser, the Company shall execute and deliver a new Series B Note or Series B Notes in the form of such Exhibit A-2 in exchange for its Original Series B Note, registered in the name of such holder, in the aggregate principal amount of the Series B Notes owing to such holder on the date hereof and dated the date of the last interest payment made to such holder in respect of its Original Series B Notes or dated the date of such holder’s Original Series B Notes if no interest shall have been paid thereon.

(c) The Company hereby agrees, and subject to the satisfaction of the conditions precedent set forth in Section 4 of this Agreement, each Series C Purchaser, by its execution of this Agreement, hereby agrees and consents to the amendment and restatement in their entirety of the Original Series C Notes, effective as of the Restatement Date, on the terms set forth in this Section 1.3(c). Each Original Series C Note is hereby and shall be deemed to be, automatically and without any further action, amended and restated in its entirety in the form of Exhibit A-3 (as so amended and restated, and as may be further amended, restated, supplemented or otherwise modified from time to time, the “**Series C Notes**”, such term to include any such notes issued in substitution, replacement or exchange therefore pursuant to Section 13), except that the payee, date, registration number and principal amount set forth in each Original Series C Note shall remain the same; provided, however, at the request of any Series C Purchaser, the Company shall execute and deliver a new Series C Note or Series C Notes in the form of such Exhibit A-3 in exchange for its Original Series C Note, registered in the name of such holder, in the aggregate principal amount of the Series C Notes owing to such holder on the date hereof and dated the date of the last interest payment made to such holder in respect of its Original Series C Notes or dated the date of such holder’s Original Series C Notes if no interest shall have been paid thereon.

Section 1.4. Authorization. The Company may, from time to time and in accordance with the terms of this Agreement, authorize the issue of senior promissory notes (the “**Shelf Notes**”) in an aggregate outstanding principal amount, when taken together with the Series A Notes, the Series B Notes and the Series C Notes, not to exceed \$300,000,000 at any time, each to be dated the date of its issue, bearing interest on the unpaid balance from the date of original issuance at the rate per annum as provided by the terms of this Agreement, to mature no more than 15 years after the date of original issuance and to have an average life of no more than 12 years after the date of original issuance. Each Shelf Note will also be subject to the other terms of that Note as described in the Confirmation of Acceptance for the Note delivered pursuant to Section 2.6. Each Shelf Note will be substantially in the form attached as Exhibit A-4. The term “**Note**” and “**Notes**” as used in this Agreement includes the Series A Notes, the Series B Notes, the Series C Notes and each Shelf Note delivered pursuant to any provision of this Agreement and each Note delivered in substitution or exchange for any Note pursuant to any

such provision. Notes that have (a) the same final maturity, (b) the same principal prepayment dates, (c) the same principal prepayment amounts (as a percentage of the original principal amount of each Note), (d) the same interest rate, (e) the same interest payment periods, and (f) the same date of issuance (which, in the case of a Note issued in exchange for another Note, is deemed for these purposes the date on which such Note's ultimate predecessor Note was issued), are a "Series" of Notes.

SECTION 2. NOTE FACILITY.

Section 2.1. Facility. New York Life is willing to consider from time to time, in its sole discretion and within limits that may be authorized for purchase by New York Life and New York Life Affiliates, the purchase of Notes pursuant to this Agreement. The willingness of New York Life to consider such purchase of Notes is the "Facility." **NOTWITHSTANDING THE WILLINGNESS OF NEW YORK LIFE TO CONSIDER PURCHASES OF NOTES BY NEW YORK LIFE OR NEW YORK LIFE AFFILIATES, THIS AGREEMENT IS ENTERED INTO ON THE EXPRESS UNDERSTANDING THAT NEITHER NEW YORK LIFE NOR ANY NEW YORK LIFE AFFILIATE WILL BE OBLIGATED TO MAKE OR ACCEPT OFFERS TO PURCHASE NOTES, OR, EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 2, TO QUOTE RATES, SPREADS OR OTHER TERMS WITH RESPECT TO SPECIFIC PURCHASES OF NOTES, AND THE FACILITY IS NOT TO BE CONSTRUED AS A COMMITMENT BY NEW YORK LIFE OR ANY NEW YORK LIFE AFFILIATE.**

Section 2.2. Issuance Period. Notes may be issued and sold pursuant to this Agreement until the earlier of:

(a) September 15, 2020 (or if such day is not a Business Day, the Business Day next preceding such day);

(b) the thirtieth day after New York Life gives to the Company, or the Company gives to New York Life, written notice stating that it elects to terminate the issuance and sale of Notes pursuant to this Agreement (or if such thirtieth day is not a Business Day, the Business Day next preceding such thirtieth day);

(c) the Closing Date after which there is no Available Facility Amount;

(d) the termination of the Facility under Section 12.1 of this Agreement; and

(e) the acceleration of any Note under Section 12.1 of this Agreement.

The period during which Notes may be issued and sold pursuant to this Agreement is the "Issuance Period."

Section 2.3. Periodic Spread Information. On any Business Day during the Issuance Period and when an Available Facility Amount exists, the Company may request by e-mail or telephone to New York Life, and New York Life will, to the extent reasonably practicable,

provide to the Company on that Business Day (if such request is received not later than 9:30 A.M.) or on the following Business Day (if such request is received after 9:30 A.M.) information by e-mail or telephone with respect to various spreads at which New York Life Affiliates might be interested in purchasing Notes of different average lives. The Company, however, will not make such a request more frequently than once in every Business Day or such other period as mutually agreed to by the Company and New York Life. The amount and content of information to be provided is in the sole discretion of New York Life, but it is the intent of New York Life to provide information that will be of use to the Company in determining whether to submit a Request for Purchase under Section 2.4. The delivery of the information requested is not an offer to purchase Notes, and neither New York Life nor any New York Life Affiliate is obligated to purchase Notes at the spreads specified. New York Life may suspend or terminate providing information pursuant to this Section 2.3 for any reason in its sole discretion, including its determination that the credit quality of the Company has declined since the date of this Agreement.

Section 2.4. Request for Purchase. The Company may, from time to time during the Issuance Period, make requests for purchases of Notes (each request is called a “**Request for Purchase**”). Each Request for Purchase will be made to New York Life by e-mail or overnight delivery service, and must:

(a) specify the aggregate principal amount of Notes covered by the Request for Purchase, in an amount not less than \$20,000,000 and not greater than the Available Facility Amount at the time the Request for Purchase is made;

(b) specify the principal amounts, final maturities (which are no more than 15 years from the date of issuance), average life (which is no more than 12 years from the date of issuance) and principal prepayment dates (if any) of the Notes covered by the Request for Purchase;

(c) specify whether interest payments on such Notes are to be made quarterly or semi-annually in arrears;

(d) specify the use or uses of proceeds of such Notes;

(e) specify the proposed Closing Date for such Notes, which will be a Business Day during the Issuance Period not less than 10 days and not more than 20 days (or as otherwise agreed) after the making of that Request for Purchase;

(f) attach replacement Schedule 5.11 of this Agreement (the “**Updated Schedule**”), to the extent the Company proposes a change to the then existing Schedule 5.11, marked to show changes from such Schedule 5.11,

(g) certify that after giving effect to the replacement of Schedule 5.11 with the Updated Schedule, the representation and warranties contained in Section 5 are true in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect, in which case such representations and warranties shall be true and correct in all respects) on and as of the date of such Request for Purchase and that there exists on the date of such Request for Purchase no Default or Event of Default; and

(h) be substantially in the form of the attached Exhibit B.

Each Request for Purchase must be in writing and will be deemed made when received by New York Life.

Section 2.5. Spread Quotes. Not later than five Business Days after New York Life receives a Request for Purchase pursuant to Section 2.4, New York Life may, but is under no obligation to, provide to the Company by telephone or e-mail, in each case between 9:30 A.M. and 1:30 P.M. (or such later time as New York Life may elect) quotes for interest rate spreads for the several principal amounts, maturities, principal prepayment schedules, and interest payment periods (whether quarterly or semi-annually) of Notes specified in that Request for Purchase. Spreads quoted for Notes shall be spreads over U.S. Treasury securities closest to the maturities specified in the Request for Purchase or an interpolated maturity. Each quote will represent the interest rate spread per annum at which a New York Life Affiliate would be willing to purchase such Notes at 100% of the principal amount thereof.

Section 2.6. Acceptance. By 11 a.m. on next Business Day after New York Life provides interest rate spread quotes pursuant to Section 2.5 or such shorter period as New York Life may specify to the Company (such period, the “**Acceptance Window**”), the Company may, subject to Section 2.7, elect to accept those quotes as to not less than \$20,000,000 aggregate principal amount of the Notes specified in the related Request for Purchase. Each election must be made by a Responsible Officer of the Company, notifying New York Life by telephone or e-mail within the Acceptance Window that the Company elects to accept a spread quote, specifying the Notes (each such Note being an “**Accepted Note**”) as to which such acceptance (the “**Acceptance**”) relates. By the close of business on the day of such Acceptance or as mutually agreed between such parties, the Company and New York Life shall agree (and shall each be required to agree based on customary interest rate determination practices) on the interest rate for the Accepted Notes based on such spread quote. The day an interest rate is agreed with respect to Accepted Notes is the “**Acceptance Day**” for such Accepted Notes. Any quotes as to which New York Life does not receive an Acceptance within the Acceptance Window or which do not result in an agreement as to an interest rate will expire, and no purchase or sale of Notes will be made based on those expired quotes. Subject to Section 2.7 and the other terms and conditions of this Agreement with respect to the applicable Closing Date, the Company will sell to New York Life or a New York Life Affiliate, and New York Life or a New York Life Affiliate will purchase the Accepted Notes at 100% of the principal amount of those Accepted Notes. Within three Business Days following the Acceptance Day, New York Life will deliver to the Company a duly completed and executed confirmation of the Acceptance substantially in the form of Exhibit C (the “**Confirmation of Acceptance**”). If the Company does not execute and deliver such Confirmation of Acceptance within four Business Days following the Acceptance Day, New York Life or any New York Life Affiliate may, at its election, cancel the purchase and sale with respect to those Accepted Notes by notifying the Company in writing.

Section 2.7. Market Disruption. Notwithstanding any other provision of this Agreement, if New York Life provides quotes pursuant to Section 2.5, and a Market Disruption occurs prior to agreement of the interest rate for Accepted Notes in accordance with Section 2.6, then such quotes will expire, and no purchase or sale of Notes will be made (or be required to be made) based on those expired quotes. If after the occurrence of any such Market Disruption the Company notifies New York Life of the Acceptance of such quotes, such Acceptance will be ineffective for all purposes of this Agreement, and New York Life will promptly notify the Company that the provisions of this Section 2.7 are applicable with respect to such Acceptance. “**Market Disruption**” means the occurrence of any of the following: (a) the domestic market for U.S. Treasury securities has closed, or (b) a general suspension, or significant disruption of trading in securities generally on the New York Stock Exchange or in the domestic market for U.S. Treasury securities.

SECTION 3. CLOSINGS.

Not later than 11:30 A.M. on the Closing Date for any Accepted Notes, the Company will deliver to each Purchaser the Accepted Notes to be purchased by such Purchaser in the form of one or more Notes in authorized denominations as such Purchaser may request in writing. The Accepted Notes will be dated the Closing Date and registered in the Purchaser’s name (or in the name of its designated nominee or nominees, if any), delivered against payment of the purchase price thereof by transfer of immediately available funds. If the Company fails to tender an Accepted Note prior to 11:30 A.M. on the scheduled Closing Date for those Accepted Notes or on such other Business Day thereafter during the Issuance Period as may be agreed upon by the Company and New York Life or any of the conditions specified in Section 4 are not fulfilled by such time, New York Life and each Purchaser may cancel such purchase and sale, without waiving any rights that New York Life or such Purchaser may have by reason of such failure or non-fulfillment, including any right pursuant to Section 15.1 to require payment of reasonable, documented and invoiced transaction expenses by the Company. The Restatement Closing and each Shelf Closing are hereafter sometimes each referred to as a “**Closing**.”

Each Purchaser’s obligation to purchase and pay for the Notes

The representations and warranties of the Company in this Agreement, after giving effect to the replacement of Schedule 5.11, if any, with the Updated Schedule attached to the Request for Purchase for such Notes, shall be correct in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect, in which case such representations and warranties shall be true and correct in all respects) when made and at the time of such Closing, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct (in all material respects as applicable) as of such earlier date.

Section 4.2. Performance; No Default. The Company shall have performed and complied in all material respects with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at such Closing and, after giving effect to the issue and sale of the Notes (in the case of any Closing other than the Restatement Closing) to be purchased (and the application of the proceeds thereof as contemplated by the related Request for Purchase), no Default or Event of Default shall have occurred and be continuing.

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the Closing Date such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, and (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System).

Section 4.6. Payment of Fees and Expenses. Without limiting the provisions of Section 15.1, the Company shall have paid to New York Life and each Purchaser on or before such Closing any fees due it pursuant to or in connection with this Agreement. Without limiting the provisions of Section 15.1, the Company shall have paid on or before the Closing all reasonable, documented and invoiced fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the Closing Date.

consolidated Subsidiaries as at such dates, and the consolidated and consolidating results of their operations and of their cash flows for the fiscal years then ended. All such financial statements, including the related schedules and notes thereto, were, as of the date prepared, prepared in accordance with GAAP applied consistently throughout the periods involved (except as otherwise expressly noted therein, and show all material Indebtedness and other liabilities, direct or contingent, of the Company and each of its Subsidiaries as of the dates thereof, including liabilities for taxes, material commitments and Indebtedness. Neither the Company nor any of its consolidated Subsidiaries had, at the date of the most recent balance sheets referred to above, any material Guarantee Obligation, material contingent liability or material liability for taxes, or any material long-term lease or material forward or long-term commitment, including, without limitation, any interest rate or foreign currency swap or exchange transaction, which is not reflected in the foregoing statements or in the notes thereto.

(b) As of the date hereof, there are no liabilities or obligations of the Company or any of its Subsidiaries, whether direct or indirect, absolute or contingent, or matured or unmatured, other than (i) as disclosed or provided for in the financial statements and notes thereto which are referred to above, (ii) which are disclosed elsewhere in this Agreement or in the Schedules hereto, (iii) arising in the ordinary course of business since December 31, 2016, (iv) created by this Agreement or (v) liabilities or obligations which, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. Section 5.8. Taxes. Each of the Company and its Subsidiaries has timely filed or caused to be filed all Federal, state and other material Tax returns and reports required to have been filed and has paid or caused to be paid all such Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Company or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

Section 5.9. Use of Proceeds; Margin Regulations. The proceeds of the sale of the Original Notes were used as set forth in the applicable Requests for Purchase (as defined in the Original Master Note Facility). The Company will apply the proceeds of the sale of the Shelf Notes as set forth in the Request for Purchase of such Notes. No part of the proceeds from the sale of the Notes hereunder will be used, directly or indirectly, for the purpose of buying or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221), or for the purpose of buying or carrying or trading in any securities under such circumstances as to involve the Company in a violation of Regulation X of such Board (12 CFR 224) or to involve any broker or dealer in a violation of Regulation T of such Board (12 CFR 220). Margin stock does not constitute more than 5.0% of the value of the consolidated assets of the Company and its Subsidiaries and the Company does not have any present intention that margin stock will constitute more than 5.0% of the value of such assets. As used in this Section, the terms “margin stock” and “purpose of buying or carrying” shall have the meanings assigned to them in Regulation U.

Section 5.10. Environmental Matters.

(a) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, neither the Company nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability or has actual knowledge of a potential claim that is reasonably likely to result in Environmental Liability to the Company or any of its Subsidiaries or (iii) has received written notice of any claim with respect to any Environmental Liability.

Section 5.13. Compliance with ERISA.

(a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that could reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to section 430 or 436 of the Code or section 4068 of ERISA, other than such liabilities or Liens as would not be individually, or in the aggregate, Material.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(e) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to

section 4975(c)(1)(A)-(D) of the Code. The representation by the Company to each Purchaser in the first sentence of this Section 5.13(e) is made in reliance upon and subject to the accuracy of such Purchaser's representation in Section 6.2 as to the sources of the funds used to pay the purchase price of the Notes to be purchased by such Purchaser.

Section 8. Payment and Prepayment of the Notes.

Section 8.1. Required Prepayments; Maturity. Each Series of Notes will be subject to required prepayment, if any, as and to the extent set forth in the Notes of such Series.

Section 8.2. Optional Prepayments.

(a) Each Series of Notes will be subject to prepayment, in whole at any time or from time to time in part, at the option of the Company, in a minimum amount of \$1,000,000 and integral multiples of \$100,000 in excess thereof or, if less, the aggregate principal amount outstanding in respect of the Notes of the Series, at 100% of the principal amount so prepaid plus interest thereon to the prepayment date and the Make-Whole Amount with respect to each Note. Any partial prepayment of a Series of the Notes pursuant to this Section 8.2(a) will be applied in satisfaction of required payments of principal in inverse order of their scheduled due dates.

(b) The Company will give the holder of each Note of a Series to be prepaid pursuant to this Section 8.2 irrevocable written notice of the prepayment not less than 10 Business Days prior to the prepayment date, specifying the prepayment date, the aggregate principal amount of the Notes of the Series to be prepaid on that date, the principal amount of the Notes of the Series held by the holder to be prepaid on that date and that prepayment is to be made pursuant to this Section 8.2. If proper notice has been given, the principal amount of the Notes specified in that notice, together with interest thereon to the prepayment date and the Make-Whole Amount, if any, will be due and payable on that prepayment date.

Section 8.3. Allocation of Partial Prepayments. In the case of each prepayment of less than the entire unpaid principal amount of all outstanding Notes of a Series pursuant to Section 8.1 or Section 8.2, the amount to be prepaid will be applied pro rata to all outstanding Notes of that Series according to the respective unpaid principal amounts thereof.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company by the applicable holder thereof promptly upon request and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment or prepayment of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Offer to Prepay Notes in the Event of a Change in Control.

(a) Notice of Change in Control or Control Event. The Company will promptly upon any Responsible Officer obtaining actual knowledge of the occurrence of any Change in Control or Control Event, give written notice of such Change in Control or Control Event to each holder of Notes unless notice shall have been given pursuant to clause (b) of this Section 8.6. If a Change in Control has occurred, such notice shall contain and constitute an offer to prepay the Notes as described in clause (c) of this Section 8.6 and shall be accompanied by the certificate described in clause (f) hereof.

(b) Condition to Company Action. The Company will not take any action that consummates or finalizes a Change in Control unless at least 10 Business Days prior to such action it shall have given to each holder of Notes written notice of such impending Change in Control.

(c) Offer to Prepay Notes. The offer to prepay Notes contemplated by the foregoing clause (a) shall be an offer to prepay, in accordance with and subject to this Section 8.6, all, but not less than all, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “**Proposed Prepayment Date**”). Such Proposed Prepayment Date shall be not less than 10 days and not more than 30 days after the date of such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the 5th day after the date of such offer); provided however that the Proposed Prepayment Date shall not be later than the date of consummation of such Change in Control. Such offer to prepay shall be conditioned upon the consummation of the proposed Change in Control and if such Change of Control shall not occur, such offer to prepay shall be void and no rights or obligations shall exist with respect thereto (the “**Consummation Condition**”).

(d) Acceptance; Rejection. The Company shall, on or before the Business Day prior to the Proposed Prepayment Date, give renotification and confirmation thereof (by telephone or email) to each holder, which shall have designated a recipient of such notices in the applicable Confirmation of Acceptance or by notice in writing to the Company. A holder of Notes may, subject to the Consummation Condition, accept the offer to prepay made pursuant to this Section 8.6 by causing a notice of such acceptance to be delivered to the Company on or before the fifth day prior to the Proposed Prepayment Date. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this Section 8.6 on or before such date shall be deemed to constitute an acceptance of such offer by such holder.

(e) Prepayment. Prepayment of the Notes to be prepaid pursuant to this Section 8.6 shall be at 100% of the principal amount of such Notes, together with interest accrued to the date of prepayment, plus the Make-Whole Amount with respect thereto. The prepayment shall be made on the Proposed Prepayment Date, subject to the Consummation Condition.

(f) Officer's Certificate. Each offer to prepay the Notes pursuant to this Section 8.6 shall be accompanied by a certificate, executed by a Responsible Officer of the Company and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this Section 8.6; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to the Proposed Prepayment Date; (v) the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such certificate were the date of the prepayment), setting forth the details of such computation; (vi) that the conditions of this Section 8.6 have been fulfilled; and (vii) in reasonable detail, the nature and date of the Change in Control.

(g) Make-Whole Amount Calculation. Two Business Days prior to the Proposed Prepayment Date, the Company shall deliver to each holder of Notes to be prepaid a certificate, executed by a Responsible Officer of the Company specifying the calculation of such Make-Whole Amount as of the Proposed Prepayment Date.

Section 8.7. Prepayment in Connection with a Disposition.

(a) If the Company elects to make an offer to prepay the Notes in connection with any Disposition pursuant to Section 10.5, the Company shall give written notice of such offer to prepayment (a "**Disposition Prepayment Notice**") to each holder of a Note, which Disposition Prepayment Notice shall (i) describe the facts and circumstances of such Disposition in reasonable detail, (ii) refer to this Section 8.7 and the rights of the holders of Notes hereunder, and (iii) identify a date, which shall be no more than 60 days and not less than 30 days after the date of the Disposition Prepayment Notice, on which the Company shall prepay the Pro Rata Portion of the unpaid principal amount of the Notes issued by the Company and held by such holder, together with interest thereon to the prepayment date and Make-Whole Amount, if any (showing in such Disposition Prepayment Notice the amount of the prepayment, the interest and an estimate of the Make-Whole Amount which would be paid on such prepayment date (calculated as if the date of such Disposition Prepayment Notice was the date of prepayment)). Unless any holder of a Note has rejected such offer to prepay its Note in connection with such Disposition in writing by notice to the Company within 10 days after receipt of the Disposition Prepayment Notice, such holder shall be deemed to have accepted such offer to prepay the principal amount of its Note.

(b) On the prepayment date specified in the Disposition Prepayment Notice, the appropriate portion of unpaid principal amount of the Notes held by each holder of a Note (other than those holders who have rejected the offer to prepay pursuant to clause (a)), together with the accrued and unpaid interest thereon to the prepayment date and the Make-Whole Amount, if any, shall become due and payable.

Section 8.8. Make-Whole Amount.

“Make-Whole Amount” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2(a) or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by (i) the yields reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on the run U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable (including by way of interpolation), the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date.

In the case of each determination under clause (i) or clause (ii), as the case may be, of the preceding paragraph, such implied yield will be determined, if necessary, by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the applicable U.S. Treasury security with the maturity closest to and greater than such Remaining Average Life and (2) the applicable U.S. Treasury security with the maturity closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

SECTION 9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 9.1. Conduct of Business and Maintenance of Existence. The Company will, and will cause each of its Subsidiaries to (a) preserve, and keep in full force and effect its corporate existence and good standing under the laws of its jurisdiction of organization, except as otherwise permitted hereunder or where failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, and (b) take all reasonable action to maintain all rights, privileges and franchises necessary in the operation or its business, except to the extent that failure to maintain such rights, privileges and franchises, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

Section 9.2. Payment of Obligations. The Company will, and will cause each of its Subsidiaries to, pay and discharge (a) all taxes upon it or its properties or assets, unless the same are being contested in good faith by appropriate proceedings and adequate reserves in accordance with GAAP are being maintained by the Company or such Subsidiary, and (b) all lawful claims which, if unpaid, would by law (without satisfaction of any other conditions, such as notice) become a Lien upon its property (other than Liens permitted by subsection 10.2), in each case where a failure to pay and discharge such taxes and claims could reasonably be expected to have a Material Adverse Effect.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Subsidiaries to maintain and keep all of its material properties necessary in the operation of its business in good repair, working order and condition, ordinary wear and tear excepted, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

Section 9.4. Maintenance of Insurance. Section 9.6. Inspection Rights Subject to Section 20, the Company will, and will cause each of its Subsidiaries to, permit representatives of each holder of Notes:

(a) *No Default* — if no Default or Event of Default then exists, at the expense of such holder and upon reasonable advance notice to a Responsible Officer of the Company or such Guarantor (if any), as the case may be, to visit the principal executive office of the Company, to examine its corporate, financial and operating records, and to discuss the affairs, finances and accounts of the Company and its Subsidiaries with its officers and (with the consent of the Company, which consent will not be unreasonably withheld) its independent public accountants, all at such reasonable times during normal business hours as may be reasonably desired; provided, however, that (x) the holders of Notes shall use reasonable efforts to coordinate with each other in order to minimize the number of such inspections and discussions; and (y) with respect to access for environmental inspections, the holders of Notes shall only have the right to inspect once every twelve months unless a holder of Notes has reason to believe that a condition exists or an event has occurred which reasonably could give rise to liability under the Environmental Laws; and

(b) *Default* — if a Default or Event of Default then exists, at the expense of the Company and without advance notice, to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, and to discuss its affairs, finances and accounts with its officers and (with the consent of the Company, which consent will not be unreasonably withheld) independent public accountants, at any time during normal business hours.

The Company will, and will cause each of its Subsidiaries to, comply with all laws, rules, regulations and orders of any Governmental Authority to which each of them is subject, including all Environmental Laws, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 9.8. Use of Proceeds. The Company will, and will cause each of its Subsidiaries to, use the proceeds of the Notes for general corporate purposes of the Company and its Subsidiaries, including for acquisitions and refinancing of Indebtedness. No part of the proceeds of any Notes will be used, whether directly or indirectly, for any purpose that entails violation of any of the Regulations of the Board of Governors of the Federal Reserve System, including Regulations T, U and X.

Section 9.9. Notices. The Company will promptly give notice to each holder of Notes upon obtaining actual knowledge of:

- (a) the occurrence of any Default or Event of Default;
- (b) the filing or commencement of any action, suit or proceeding by or before any arbitrator or Governmental Authority against or affecting the Company or any Affiliate thereof that could reasonably be expected to have a Material Adverse Effect;
- (c) the following events, as soon as possible and in any event within 30 days after the Company obtains actual knowledge thereof: (i) the occurrence or reasonably expected occurrence of any ERISA Event with respect to any Plan, (ii) a failure to make any required contribution to a Plan within the period required by applicable law, (iii) the creation of any Lien in favor of the PBGC or a Plan or any withdrawal from, or the termination, Reorganization or Insolvency of, any Multiemployer Plan or (iv) the institution of proceedings or the taking of any other similar action by the PBGC or the Company or any ERISA Affiliate or any Multiemployer Plan with respect to the withdrawal from, or the terminating, Reorganization or Insolvency of, any Plan, other than the termination of any Single Employer Plan that is not a distress termination pursuant to Section 4041(c) of ERISA where, with respect to any event listed above, the amount of liability the Company or any ERISA Affiliate could reasonably be expected to have a Material Adverse Effect; and
- (d) any other development known to Company that results in, or could reasonably be expected to result in, a Material Adverse Effect.

Each notice delivered pursuant to this subsection shall be accompanied by a statement of a Responsible Officer of the Company setting forth details of the occurrence or development referred to therein and stating what action the Company proposes to take with respect thereto.

Section 9.10. Guarantors. Simultaneously with any Subsidiary becoming, but only for so long as such Subsidiary shall be, (x) a guarantor of the obligations of the Company or any Subsidiary under a Principal Debt Facility or (y) a borrower or other obligor under a Principal Debt Facility, the Company will cause such Person to enter into a Guaranty Agreement in form and substance reasonably acceptable to the Required Holders, and thereupon such Person shall become a Guarantor hereunder for all purposes.

Section 9.11. Pari Passu Status. The Company will cause all Indebtedness owing under the Notes and under this Agreement to rank at all times at least *pari passu* with all other present and future unsecured Indebtedness of the Company.

SECTION 10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 10.1 Consolidated Leverage Ratio. The Company will not permit the Consolidated Leverage Ratio at any time during any period of four consecutive fiscal quarters of the Company to exceed 3.25 to 1.0; provided that, to the extent the Company consummates an acquisition permitted by this Agreement for aggregate cash consideration exceeding \$150,000,000 (each, a “**Material Acquisition**”), the Company may elect, upon written notice to New York Life and each holder of a Note that is an Institutional Investor, which notice shall be provided no later than the last Business Day of the fiscal quarter in which the relevant Material Acquisition is consummated, to increase the maximum Consolidated Leverage Ratio permitted by this Section 10.1 to 3.75 to 1.0 for the fiscal quarter in which such Material Acquisition is consummated and the three consecutive fiscal quarters of the Company following such Material Acquisition (each, a “**Four Quarter Period**”) (retroactive to the first day of such Four Quarter Period), and the interest rate applicable to the Notes shall increase by 0.50% per annum during the period from (and retroactive to) the first day of such Four Quarter Period until the earlier of (i) the last day of such fiscal quarter at the end of which the Consolidated Leverage Ratio for the four fiscal quarters of the Company then ended did not exceed 3.25 to 1.0 (retroactive to such date) and (ii) the last day of such Four Quarter Period (each, a “**Covenant Reset Date**”) (such increase, the “**Acquisition Spike**”); provided further that, the maximum Consolidated Leverage Ratio may be increased to 3.75 to 1.0 for a Four Quarter Period in connection with a Material Acquisition no more than three times after the Restatement Date. For the avoidance of doubt, the Consolidated Leverage Ratio may not exceed 3.25 to 1.0 for the four fiscal quarters of the Company then last ended (in each case taken as one accounting period) as of the last day of each fiscal quarter that ends after a Covenant Reset Date during a Four Quarter Period. If the Consolidated Leverage Ratio is increased for a Four Quarter Period pursuant to the preceding sentence, no corresponding increase in the Consolidated Leverage Ratio with respect to a subsequent Material Acquisition may occur until the completion of at least one full fiscal quarter following the last day of such Four Quarter Period.

Section 10.2 Limitations on Liens. The Company will not, and will not permit any of its Subsidiaries to, create, incur, assume or suffer to exist any Lien upon any of its property, assets or revenues, whether now owned or hereafter acquired, except for:

(a) Liens for taxes not yet due or which are being contested in good faith by appropriate proceedings, provided that adequate reserves with respect thereto are maintained on the books of the Company or its Subsidiaries, as the case may be, in conformity with GAAP;

(b) carriers', warehousemen's, mechanics', materialmen's, repairmen's or other like Liens arising in the ordinary course of business which are not overdue for a period of more than 30 days or which are being contested in good faith by appropriate proceedings diligently conducted, if adequate reserves with respect thereto are maintained on the books of the applicable Person in accordance with GAAP;

(f) Liens securing Indebtedness in respect of capital leases and purchase money obligations for fixed or capital assets; provided that (i) such Liens do not at any time encumber any property other than the property financed by such Indebtedness, (ii) the principal amount of the Indebtedness secured thereby does not exceed the fair market value of the property being acquired on the date of acquisition and (iii) such Indebtedness was not incurred in connection with, or in anticipation or contemplation of, an acquisition;

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Company described in Section 11(f) or (g) (other than an Event of Default described in clause (vii) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (vii) of Section 11(g)) has occurred, the Facility will automatically terminate and all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of more than 50% in principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, terminate the Facility and/or declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) related to failure to pay interest, principal or Make-Whole Amount has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the default rate specified in the applicable Notes) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the holders of not less than 50% in principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are

unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the default rate specified in the applicable Notes, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, of the same Series and in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of (a) Exhibit A-1, in the case of a Series A Note, (b) Exhibit A-2, in the case of a Series B

Note, (c) Exhibit A-3, in the case of a Series C Note, or (e) Exhibit A-4, in the case of a Shelf Note. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2. Each transferee of Notes shall give written notice to the Company of the transfer of such notes to such transferee within 30 days after consummation of such transfer, which notice shall include the name of each transferee of such Notes and a Purchaser Schedule for each such transferee.

Section 13.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$100,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JPMorgan Chase Bank in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest by the method and at the address specified for such purpose

below such Purchaser's name in Schedule B (in the case of Series A Notes, Series B Notes, or Series C Notes or as specified in such Purchaser's Confirmation of Acceptance (in the case of a Shelf Note), or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated or any Notes are issued hereunder, the Company will pay all reasonable, documented and invoiced costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and (c) the reasonable, documented and invoiced costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$3,500. The Company will pay, and will save New York Life, each Purchaser and each other holder of a Note harmless from, all claims in respect of any reasonable, documented and invoiced fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes).

The Company shall indemnify each holder of the Notes and each of its Related Parties (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of

this Agreement, the Notes, the other Note Documents, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or under the Notes, the other Note Documents, or the consummation of the transactions contemplated hereby or thereby, (ii) any Notes or the use of the proceeds thereof, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Company or any of the Company's directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. The obligations of the Company under this Section 15.1 shall survive the transfer of any Note or portion thereof or interest therein by any Purchaser or Transferee and the payment of any Note.

Section 15.2. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, and (b) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

Section 17.3. Binding Effect, etc. Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note.

Section 17.4. Notes Held by Company, etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary or confidential in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

Upon receipt of such notice, any reference to such Purchaser in this Agreement (other

than in this Section 21), shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a Purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

Section 22.2. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that the notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided that if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 22.3. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP.

Section 22.4. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.5. Construction, etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

Section 22.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.8. Jurisdiction and Process; Waiver of Jury Trial. (a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.8(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to such Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 22.8 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

1.2. Amendment and Restatement of Original Master Note Agreement.

(a) Effective upon the Restatement Date and subject to the satisfaction of the conditions precedent in Section 4, the parties hereto hereby agree that this Agreement shall, and hereby does, amend, restate and replace in its entirety the Original Master Note Agreement which, as so amended and restated by this Agreement, continues in full force and effect without rescission or novation thereof. The parties hereto hereby acknowledge and agree that the amendments to the Original Master Note Agreement set forth herein could have been effected through an agreement or instrument amending such agreement, and for convenience, the parties hereto have agreed to restate the terms and provisions of the Original Master Note

(b) Notwithstanding the foregoing, the representations and warranties of the Company set forth in Section 5 of the Original Master Note Agreement shall be deemed to survive the amendment and restatement of the Original Master Note Agreement, and the representations and warranties of the Company set forth in Section 5 of this Agreement shall be deemed to be additional representations and warranties of the Company made as of the date of this Agreement. Further, the representations and warranties of the Series 2017-A Purchasers set forth in Section 6 of the Original Master Note Agreement shall be deemed to survive the amendment and restatement of the Original Master Note Agreement.

1.3. Amendment and Restatement of Original Series 2017-A Notes. The Company hereby agrees, and subject to the satisfaction of the conditions precedent set forth in Section 4 of this Agreement, each Series 2017-A Purchaser, by its execution of this Agreement, hereby agrees and consents to the amendment and restatement in their entirety of the Original Series 2017-A Notes, effective as of the Restatement Date, on the terms set forth in this Section 1.3. Each Original Series 2017-A Note is hereby and shall be deemed to be, automatically and without any further action, amended and restated in its entirety in the form of Exhibit 1.3 (as so amended and restated, and as may be further amended, restated, supplemented or otherwise modified from time to time, the “**Series 2017-A Notes**”, such term to include any such notes issued in substitution, replacement or exchange therefore pursuant to Section 13), except that the payee, date, registration number and principal amount set forth in each Original Series 2017-A Note shall remain the same; provided, however, at the request of any Series 2017-A Purchaser, the Company shall execute and deliver a new Series 2017-A Note or Series 2017-A Notes in the form of such Exhibit 1.3 in exchange for its Original Series 2017-A Note, registered in the name of such holder, in the aggregate principal amount of the Series 2017-A Notes owing to such holder on the date hereof and dated the date of the last interest payment made to such holder in respect of its Original Series 2017-A Notes or dated the date of such holder’s Original Series 2017-A Notes if no interest shall have been paid thereon.

1.4. Authorization of Shelf Notes. The Company may, from time to time, authorize the issue of its senior promissory notes (the “**Shelf Notes**”, such term to include any such notes issued in substitution thereof pursuant to Section 13) in an aggregate principal amount not to exceed \$150,000,000, to be dated the date of issue thereof, to mature, in the case of each Shelf Note so issued, no more than fifteen (15) years after the date of original issuance thereof, to have an average life, in the case of each Shelf Note so issued, of no more than twelve (12) years after the date of original issuance thereof, to bear interest on the unpaid balance thereof from the date thereof at the rate per annum, and to have such other particular terms, as shall be set forth, in the case of each Shelf Note so issued, in the Confirmation of Acceptance with respect to such Note delivered pursuant to Section 2.5, to be substantially in the form of Exhibit 3 attached hereto. The terms “**Note**” and “**Notes**” as used herein shall include the Series 2017-A Notes and each Shelf Note delivered pursuant to any provision of this Agreement and each Note delivered in substitution or exchange for any such Note pursuant to any such provision. Notes which have (i) the same final

maturity, (ii) the same principal prepayment dates, (iii) the same principal prepayment amounts (as a percentage of the original principal amount of each Note), (iv) the same interest rate, (v) the same interest payment dates, (vi) the same interest payment periods, and (vii) the same date of issuance (which, in the case of a Note issued in exchange for another Note, shall be deemed for these purposes the date on which such Note's ultimate predecessor Note was issued), are herein called a "Series" of Notes. Certain capitalized and other terms used in this Agreement are defined in Schedule B; and references to a "Schedule" or an "Exhibit" are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

2. SALE AND PURCHASE OF SHELF NOTES.

2.1. Facility. MetLife is willing to consider, in its sole discretion, from time to time, the purchase of Shelf Notes pursuant to this Agreement. The willingness of MetLife to consider such purchase of Shelf Notes is herein called the "Facility". At any time, the aggregate principal amount of Shelf Notes stated in Section 1, minus the aggregate principal amount of Shelf Notes purchased and sold pursuant to this Agreement prior to such time, minus the aggregate principal amount of Accepted Notes (as hereinafter defined) which have not yet been purchased and sold hereunder prior to such time, is herein called the "Available Facility Amount" at such time. **NOTWITHSTANDING THE WILLINGNESS OF METLIFE TO CONSIDER PURCHASES OF SHELF NOTES, THIS AGREEMENT IS ENTERED INTO ON THE EXPRESS UNDERSTANDING THAT NEITHER METLIFE NOR ANY METLIFE AFFILIATE SHALL BE OBLIGATED TO MAKE OR ACCEPT OFFERS TO PURCHASE SHELF NOTES, OR TO QUOTE RATES, SPREADS OR OTHER TERMS WITH RESPECT TO SPECIFIC PURCHASES OF SHELF NOTES, AND THE FACILITY SHALL IN NO WAY BE CONSTRUED AS A COMMITMENT BY METLIFE OR ANY METLIFE AFFILIATE.**

2.2. Issuance Period. Shelf Notes may be issued and sold pursuant to this Agreement until the earlier of (i) September 15, 2020 and (ii) the thirtieth (30th) day after MetLife shall have given to the Company, or the Company shall have given to MetLife, a written notice stating that it elects to terminate the issuance and sale of Shelf Notes pursuant to this Agreement (or if such thirtieth day is not a Business Day, the Business Day next preceding such thirtieth day). The period during which Shelf Notes may be issued and sold pursuant to this Agreement is herein called the "Issuance Period".

2.3. Request for Purchase. The Company may from time to time during the Issuance Period make requests for purchases of Shelf Notes (each such request being herein called a "Request for Purchase"). Each Request for Purchase shall be made to MetLife by email or overnight delivery service, and shall (i) specify the aggregate principal amount of Shelf Notes covered thereby and not be greater than the Available Facility Amount at the time such Request for Purchase is made, (ii) specify the principal amounts, final maturities and principal prepayment dates and amounts of the Shelf Notes covered thereby, (iii) specify the use of proceeds of such Shelf Notes, (iv) specify whether interest payments are to be made quarterly or semi-annually, (v) specify the proposed day for the closing of the purchase and sale of such Shelf Notes, which shall be a Business Day during the Issuance Period not less than ten (10) days and not more than thirty (30) days after the making of such Request for Purchase, (vi) specify the number of the account and the name and address of the depository institution to which the

purchase prices of such Shelf Notes are to be transferred on the Closing Day for such purchase and sale, (vii) certify that the representations and warranties contained in Section 5 are true in all material respects on and as of the date of such Request for Purchase and that there exists on the date of such Request for Purchase no Event of Default or Default, and (viii) be substantially in the form of Exhibit 2 attached hereto.

2.4. Rate Quotes. Not later than five (5) Business Days after the Company shall have given MetLife a Request for Purchase pursuant to Section 2.3, MetLife may, but shall be under no obligation to, provide to the Company by telephone or e-mail, in each case between 9:30 A.M. and 1:30 P.M. New York City local time (or such later time as MetLife may elect) interest rate quotes for principal amounts, maturities and principal prepayment schedules and interest payment periods (whether quarterly or semi-annually) of Shelf Notes specified in such Request for Purchase (each such interest rate quote provided in response to a Request for Purchase herein called a “**Quotation**”). Each Quotation shall represent the interest rate per annum payable on the outstanding principal balance of such Shelf Notes at which a MetLife Affiliate would be willing to purchase such Shelf Notes at 100% of the principal amount thereof.

2.5. Acceptance. Within the Acceptance Window, an Authorized Officer of the Company may, subject to Section 2.6, elect to accept on behalf of the Company a Quotation as to the aggregate principal amount of the Shelf Notes specified in the related Request for Purchase (each such Shelf Note being herein called an “**Accepted Note**” and such acceptance being herein called an “**Acceptance**”). The day the Company notifies MetLife of an Acceptance with respect to any Accepted Notes is herein called the “**Acceptance Day**” for such Accepted Notes. Any Quotation as to which MetLife does not receive an Acceptance within the Acceptance Window shall expire, and no purchase or sale of Shelf Notes hereunder shall be made based on any such expired Quotation. Subject to Section 2.6 and the other terms and conditions hereof, the Company agrees to sell to one or more MetLife Affiliates, and such MetLife Affiliates agree to purchase the Accepted Notes at 100% of the principal amount of such Notes. As soon as practicable following the Acceptance Day, the Company and each MetLife Affiliate which is to purchase any such Accepted Notes will execute a confirmation of such Acceptance substantially in the form of Exhibit 3 attached hereto (herein called a “**Confirmation of Acceptance**”). If the Company should fail to execute and return to MetLife within three (3) Business Days following the Company’s receipt thereof a Confirmation of Acceptance with respect to any Accepted Notes, MetLife may, after consultation with the Purchasers (as necessary), at its election at any time prior to MetLife’s receipt thereof cancel the closing with respect to such Accepted Notes by so notifying the Company in writing.

2.6. Market Disruption. Notwithstanding the provisions of Section 2.5, any Quotation provided pursuant to Section 2.4 shall expire if, prior to the time an Acceptance with respect to such Quotation shall have been notified to MetLife in accordance with Section 2.5, in the case of any Shelf Notes, the domestic market for U.S. Treasury securities or derivatives shall have closed or there shall have occurred a general suspension, material limitation, or significant disruption of trading in securities generally on the New York Stock Exchange or in the domestic market for U.S. Treasury securities or derivatives. No purchase or sale of Shelf Notes hereunder shall be made based on such expired Quotation. If the Company thereafter notifies MetLife of the Acceptance of any such Quotation, such Acceptance shall be ineffective for all purposes of this Agreement, and MetLife shall promptly notify the Company that the provisions of this Section 2.6 are applicable with respect to such Acceptance.

2.7. Fees.

(a) **Structuring Fee.** In consideration for the time, effort and expense involved in the preparation, negotiation and execution of this Agreement, at the time of the execution and delivery of this Agreement by the Company and MetLife, the Company will pay to MetLife in immediately available funds a fee (herein called the “**Structuring Fee**”) as mutually agreed upon, in accordance with the wire instructions that MetLife shall provide.

(b) **Delayed Delivery Fee.** If the closing of the purchase and sale of any Accepted Note is delayed for any reason beyond the original Closing Day for such Accepted Note, the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note on the Cancellation Date or actual closing date of such purchase and sale, an amount (herein called the “**Delayed Delivery Fee**”) equal to the product of (i) the amount determined by the Lead Purchaser, after consultation with the other Purchasers, to be the amount by which the bond equivalent yield per annum of such Accepted Note exceeds the investment rate per annum on an alternative Dollar investment of the highest quality selected, by the Lead Purchaser, after consultation with the other Purchasers, and having a maturity date or dates the same as, or closest to, the Rescheduled Closing Day from time to time fixed for the delayed delivery of such Accepted Note, (ii) the principal amount of such Accepted Note, and (iii) a fraction the numerator of which is equal to the number of actual days elapsed from and including the original Closing Day for such Accepted Note to but excluding the date of such payment, and the denominator of which is three hundred and sixty (360). In no case shall the Delayed Delivery Fee be less than zero (0). Nothing contained herein shall obligate any Purchaser to purchase any Accepted Note on any day other than the Closing Day for such Accepted Note, as the same may be rescheduled from time to time in compliance with Section 3.2.

(c) **Cancellation Fee.** If, on or after the Acceptance Day, the Company at any time notifies MetLife and each Purchaser in writing that the Company is canceling the closing of the purchase and sale of any Accepted Note, or if MetLife or a Purchaser notifies the Company in writing under the circumstances set forth in the last sentence of Section 2.5 or the penultimate sentence of Section 3.2 that the closing of the purchase and sale of such Accepted Note is to be canceled, or if the closing of the purchase and sale of such Accepted Note is not consummated on or prior to the last day of the Issuance Period (the date of any such notification, or the last day of the Issuance Period, as the case may be, being herein called the “**Cancellation Date**”), the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note no later than one Business Day after the Cancellation Date in immediately available funds an amount (the “**Cancellation Fee**”) equal to the product of (i) the principal amount of such Accepted Note and (ii) the quotient (expressed in decimals) obtained by dividing (x) the excess of the ask price (as determined by the Lead Purchaser after consultation with the other Purchasers) of the Hedge Treasury

Note(s) on the Cancellation Date over the bid price (as determined, by the Lead Purchaser after consultation with the other Purchasers,) of the Hedge Treasury Note(s) on the Acceptance Day for such Accepted Note by (y) such bid price, with the foregoing bid and ask prices as reported on the Bridge\Telerate Service, or if such information ceases to be available on the Bridge\Telerate Service, any publicly available source of such market data selected, by the Lead Purchaser after consultation with the other Purchasers, and rounded to the second decimal place.

3. CLOSING.

3.1. Facility Closings. Not later than 11:30 A.M. (New York City local time) on the Closing Day for any Accepted Notes, the Company will deliver to each Purchaser listed in the Confirmation of Acceptance relating thereto at the offices of MetLife, 10 Park Avenue, Morristown, New Jersey 07962-1902, Attention: Law Department, or at such other place pursuant to the written directions to the Company, the Accepted Notes to be purchased by such Purchaser in the form of one or more Notes in authorized denominations as such Purchaser may request for each Series of Accepted Notes to be purchased on the Closing Day, dated the Closing Day and registered in such Purchaser's name (or in the name of its nominee), against payment of the purchase price thereof by transfer of immediately available funds for credit to the Company's account specified in the Request for Purchase of such Notes. The Restatement Closing and each Shelf Closing are hereafter sometimes each referred to as a "**Closing**".

3.2. Rescheduled Facility Closings. If the Company fails to tender to any Purchaser the Accepted Notes to be purchased by such Purchaser on the scheduled Closing Day for such Accepted Notes as provided above in Section 3.1, or any of the conditions specified in Section 4 shall not have been fulfilled by the time required on such scheduled Closing Day, the Company shall, prior to 2:00 P.M., New York City local time, on such scheduled Closing Day notify each Purchaser in writing whether (a) such closing is to be rescheduled (such rescheduled date to be a Business Day during the Issuance Period not less than one (1) Business Day and not more than ten (10) Business Days after such scheduled Closing Day (the "**Rescheduled Closing Day**")) and certify that the Company reasonably believes that it will be able to comply with the conditions set forth in Section 4 on such Rescheduled Closing Day and that the Company will pay the Delayed Delivery Fee in accordance with Section 2.7(b) or (b) such closing is to be canceled. In the event that the Company shall fail to give such notice referred to in the immediately preceding sentence, the Lead Purchaser, after consultation with the other Purchasers, may at its election, at any time after 2:00 P.M., New York City local time, on such scheduled Closing Day, notify the Company in writing that such closing is to be canceled. Notwithstanding anything to the contrary appearing in this Agreement, the Company may not elect to reschedule a closing with respect to any given Accepted Notes on more than one occasion, unless the Lead Purchaser, after consultation with the other Purchasers, shall have otherwise consented in writing.

4. CONDITIONS TO CLOSING.

Each set of financial statements delivered to MetLife or a holder of Notes pursuant to Section 7.1(a) or Section 7.1(b) shall be accompanied by a certificate of a Senior Financial Officer setting forth:

(a) Covenant Compliance — (i) the information required in order to establish whether the Company was in compliance with the requirements of Section 10.9 (including reasonably detailed calculations) and (ii) a certification by the Senior Financial Officer that the Company was in compliance with the requirements of Section 10.5(o), Section 10.6(a) and (b)(vi) and Section 10.7(g)(iii) during the quarterly or annual period covered by the statements then being furnished (including with respect to each such Section, if requested, the calculations of the maximum or minimum amount, ratio or percentage, as the case may be, permissible under the terms of such Sections, and the calculation of the amount, ratio or percentage then in existence); and

(b) Event of Default — a statement that such Senior Financial Officer has reviewed the relevant terms hereof and has made, or caused to be made, under his or her supervision, a reasonable and customary review of the transactions and conditions of the Company and its Subsidiaries from the beginning of the quarterly or annual period covered by the statements then being furnished to the date of the certificate and that such review shall not have disclosed the existence during such period of any condition or event that constitutes a Default or an Event of Default or, if any such condition or event existed or exists (including, without limitation, any such event or condition resulting from the failure of the Company or any Subsidiary to comply with any Environmental Law), specifying the nature and period of existence thereof and what action the Company shall have taken or proposes to take with respect thereto.

7.3. Visitation.

The Company shall permit the representatives of each holder of Notes that is an Institutional Investor:

(a) No Default — if no Default or Event of Default then exists, at the expense of such holder and upon reasonable prior notice to the Company, to visit the principal executive office of the Company during regular business hours, to discuss the affairs, finances and accounts of the Company and its Subsidiaries with the Company's officers, and (with the consent of the Company, which consent will not be unreasonably withheld) its independent public accountants, and (with the consent of the Company, which consent will not be unreasonably withheld) to visit the other offices and properties of the Company and each Subsidiary, all at such reasonable times and as often as may be reasonably requested in writing; provided that each holder of Notes that is an Institutional Investor shall make reasonable efforts to coordinate any such visit with MetLife and any other holder of Notes that is an Institutional Investor such that each holder will attempt to conduct its visit during the same period of time as other holders conducting visits; and

(b) Default — if a Default or Event of Default then exists, at the expense of the Company to visit and inspect any of the offices or properties of the Company or any Subsidiary, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent public accountants (and by this provision the Company authorizes said accountants to discuss the affairs, finances and accounts of the Company and its Subsidiaries), all at such times and as often as may be requested.

7.4. Limitation on Disclosure Obligation.

The Company shall not be required to disclose the following information pursuant to Section 7.1(c), 7.1(h) or 7.3:

(a) information that the Company determines after consultation with counsel qualified to advise on such matters that, notwithstanding the confidentiality requirements of Section 20, it would be prohibited from disclosing by applicable law or regulations without making public disclosure thereof; or

(b) information that, notwithstanding the confidentiality requirements of Section 20, the Company is prohibited from disclosing by the terms of an obligation of confidentiality contained in any agreement with any non-Affiliate binding upon the Company and not entered into in contemplation of this clause (b), provided that the Company shall use commercially reasonable efforts to obtain consent from the party in whose favor the obligation of confidentiality was made to permit the disclosure of the relevant information and provided further that the Company has received a written opinion of counsel confirming that disclosure of such information without consent from such other contractual party would constitute a breach of such agreement.

Promptly after a request therefor from any holder of Notes that is an Institutional Investor, the Company will provide such holder with a written opinion of counsel (which may be addressed to the Company) relied upon as to any requested information that the Company is prohibited from disclosing to such holder under circumstances described in this Section 7.4.

8. PAYMENT AND PREPAYMENT OF THE NOTES.

8.1. Maturity.

(a) Series 2017-A Notes. As provided therein, the entire principal balance of each Series 2017-A Note shall be due and payable on the maturity date thereof.

(b) Shelf Notes. Each Series of Shelf Notes shall be subject to required prepayments, if any, set forth in the Notes of such Series, provided that upon any partial prepayment of the Shelf Notes of any Series pursuant to Section 8.2, 8.7 or 8.8, the principal amount of each required prepayment of the Shelf Notes of such Series becoming due under this Section 8.1 on and after the date of such prepayment shall be reduced in the same proportion as the aggregate unpaid principal amount of the Shelf Notes of such Series is reduced as a result of such prepayment.

8.2. Optional Prepayments with Make-Whole Amount.

The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, any Series of Notes, in a principal amount of \$1,000,000 or any integral multiple of \$100,000 in excess thereof in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of the Series of Notes to be prepaid written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Series of Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of the Series of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

8.3. Allocation of Partial Prepayments.

In the case of each partial prepayment of the Notes of any Series pursuant to Section 8.2, the principal amount of the Notes of such Series to be prepaid shall be allocated among all of the Notes of such Series at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

8.4. Maturity; Surrender, Etc.

In the case of each prepayment of Notes of any Series pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From

and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

8.5. Purchase of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Company or an Affiliate *pro rata* to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least fifteen (15) Business Days. If the holders of more than 50% of the principal amount of the Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least ten (10) Business Days from its receipt of such notice to accept such offer. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

8.6. Make-Whole Amount.

The term “**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2, Section 8.7 or Section 8.8 or has become or is declared to be immediately due and payable pursuant to Section 12.1.

“**Discounted Value**” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“**Reinvestment Yield**” means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by (i) the yields reported as of 10:00 A.M. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page

PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable (including by way of interpolation), the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. In the case of each determination under clause (i) or clause (ii), as the case may be, of the preceding sentence, such implied yield will be determined, if necessary, by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the applicable actively traded, on-the-run U.S. Treasury security with the maturity closest to and greater than such Remaining Average Life and (2) the applicable actively traded, on-the-run U.S. Treasury security with the maturity closest to and less than such Remaining Average Life. The Reinvestment Yield will be rounded to that number of decimals as appears in the coupon for the applicable Note.

“**Remaining Average Life**” means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2, Section 8.7, Section 8.8 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2, Section 8.7 or Section 8.8 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

8.7. Prepayment on a Change in Control.

(a) The Company shall, promptly upon any Responsible Officer obtaining actual knowledge of the occurrence of a Change in Control, give written notice of such fact (the “**Company Notice**”) to all holders of the Notes. The Company Notice shall (i) describe the facts and circumstances of such Change in Control in reasonable detail, (ii) refer to this Section 8.7 and the rights of the holders hereunder and state that a

Change in Control has occurred, (iii) contain an offer by the Company to prepay the entire unpaid principal amount of Notes held by each holder, together with interest thereon to the prepayment date selected by the Company with respect to each Note, plus the Make-Whole Amount with respect thereto, which prepayment shall be on a date specified in the Company Notice and which date shall be a Business Day not less than 30 days and not more than 45 days after such Company Notice is given, (iv) request each holder to notify the Company in writing by a stated date (the “**Change in Control Response Date**”), which date is not less than 30 days after such holder’s receipt of the Company Notice, of its acceptance or rejection of such prepayment offer and (v) be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such Company Notice were the date of the prepayment), setting forth the details of such computation. If a holder does not notify the Company as provided above, then the holder shall be deemed to have accepted such offer.

(b) Two Business Days prior to the prepayment date specified in the Company Notice, the Company shall deliver to each holder of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the prepayment date.

(c) On the prepayment date specified in the Company Notice, the entire unpaid principal amount of the Notes held by each holder of Notes who has accepted such prepayment offer (in accordance with paragraph (a) above), together with interest thereon to the prepayment date with respect to each such Note and the Make-Whole Amount with respect thereto shall become due and payable.

8.8. Prepayment in Connection with a Disposition.

(a) If the Company elects to prepay the Notes pursuant to Section 10.7 in connection with any Disposition, the Company shall give written notice of such prepayment (a “**Disposition Prepayment Notice**”) to each holder of a Note, which Disposition Prepayment Notice shall (i) describe the facts and circumstances of such Disposition in reasonable detail, (ii) refer to this Section 8.8 and the rights of the holders of Notes hereunder, (iii) identify a date, which shall be no more than 60 days and not less than 5 Business Days after the date of the Disposition Prepayment Notice, on which the Company shall prepay the Pro Rata Portion of the unpaid principal amount of the Notes issued by the Company and held by such holder, together with interest thereon to the prepayment date and Make-Whole Amount, if any (showing in such Disposition Prepayment Notice the amount of the prepayment, the interest and an estimate of the Make-Whole Amount which would be paid on such prepayment date (calculated as if the date of such Disposition Prepayment Notice was the date of prepayment)).

(b) On the prepayment date specified in the Disposition Prepayment Notice, the appropriate portion of unpaid principal amount of the Notes held by each holder of a Note, together with the accrued and unpaid interest thereon to the prepayment date and the Make-Whole Amount, if any, shall become due and payable.

9. AFFIRMATIVE COVENANTS.

The Company covenants that during the Issuance Period and so long thereafter as any of the Notes are outstanding:

9.1. Compliance with Law.

Without limiting Section 10.4, the Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations of any Governmental Authority to which each of them is subject, including, without limitation, ERISA, the USA Patriot Act and Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.2. Insurance.

The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities engaged in the same or a similar business and similarly situated.

9.3. Maintenance of Properties.

The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties necessary in the operation of their business in good repair, working order and condition (other than ordinary wear and tear), provided that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.4. Payment of Taxes and Claims.

The Company will, and will cause each of its Subsidiaries to, file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges or levies imposed on them or any of their properties, assets, income or franchises, to the extent the same have become due and payable and before they have become delinquent and all claims for which sums have become due and payable which, if unpaid, would by law (without satisfaction of any other conditions) become a Lien on properties or assets of the Company or any Subsidiary (other than Liens permitted under Section 10.5), provided that neither the Company nor any Subsidiary need pay any such tax, assessment, charge or levy if (i) the amount, applicability or validity thereof is

contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the nonpayment of all such taxes, assessments, charges and levies in the aggregate could not reasonably be expected to have a Material Adverse Effect.

9.5. Corporate Existence, Etc.

Subject to Section 10.2, the Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Sections 10.2 and 10.7, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Wholly-Owned Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

9.6. Books and Records.

The Company will, and will cause each of its Subsidiaries to, maintain, in all material respects, proper books of record and account in conformity with GAAP and all material applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be.

9.7. Priority of Obligations.

The Company will ensure that its payment obligations under this Agreement and the Notes will at all times rank at least *pari passu*, without preference or priority, with all other unsecured and unsubordinated Indebtedness of the Company.

9.8. Subsidiary Guarantees.

(a) The Company shall promptly cause each Additional Subsidiary Guarantor to execute and deliver a Subsidiary Guarantee substantially in the form of Exhibit 9.8 hereto (with such modifications as may be required to reflect the legal requirements of the jurisdiction of incorporation of the relevant Subsidiary, including any modifications necessary to make the obligations of such guarantee agreement *pari passu* with the other unsecured and unsubordinated Indebtedness of such Subsidiary) or otherwise in form and substance reasonably satisfactory to the Required Holders.

(b) The Company may, from time to time at its discretion and upon written notice from the Company to the holders of Notes, cause any of its Subsidiaries which are not otherwise Subsidiary Guarantors pursuant to Section 9.8(a) to enter into a Subsidiary Guarantee substantially in the form of Exhibit 9.8 hereto (with such modifications as may be required to reflect the legal requirements of the jurisdiction of incorporation of the relevant Subsidiary, including any modifications necessary to make the obligations of such guarantee agreement *pari passu* with the other unsecured and unsubordinated Indebtedness of such Subsidiary) or otherwise in form and substance reasonably satisfactory to the Required Holders (an “**Optional Subsidiary Guarantee**”). A Subsidiary that enters into an Optional Subsidiary Guarantee shall be referred to as an “**Optional Subsidiary Guarantor**”.

(c) The delivery of a Subsidiary Guarantee by any Subsidiary Guarantor shall be accompanied by the following:

- (i) an Officer's Certificate from such Subsidiary Guarantor confirming that (A) the representations and warranties of such Subsidiary Guarantor contained in such Subsidiary Guarantee are true and correct in all material respects, and (B) the guarantee provided under the Subsidiary Guarantee would not cause any borrowing, guaranteeing or similar limit binding on the Subsidiary Guarantor to be exceeded;
- (ii) copies of the articles of association or certificate or articles of incorporation, and all other constitutive documents, of such Subsidiary Guarantor, resolutions of the board of directors (and, where applicable, the shareholders) of such Subsidiary Guarantor authorizing its execution and delivery of such Subsidiary Guarantee and the transactions contemplated thereby, and specimen signatures of authorized officers of such Subsidiary Guarantor (in each case, certified as correct and complete copies by the secretary or an assistant secretary (or an equivalent officer) of such Subsidiary Guarantor); and
- (iii) a legal opinion, reasonably satisfactory in form, scope and substance to the Required Holders, of independent legal counsel to the effect that, subject to customary qualifications and assumptions, (1) such Subsidiary Guarantor is duly and validly organized and existing under the laws of its jurisdiction of organization and (if applicable in such jurisdiction) is in good standing, (2) such Subsidiary Guarantee has been duly authorized, executed and delivered by such Subsidiary Guarantor, and (3) such Subsidiary Guarantee is enforceable in accordance with its terms.

An original executed counterpart of each such Subsidiary Guarantee shall be delivered to each holder of Notes promptly after the execution thereof.

(d) In the event that an Additional Subsidiary Guarantor at any time ceases to guarantee the obligations of the Company or other Group members under any Principal Credit Facility and is no longer a borrower or other obligor under any Principal Credit Facility, the Company may upon written notice to the holders of the Notes referring to this Section 9.8(d), which notices shall be accompanied by an Officer's Certificate certifying as to the matters set forth in clauses (i) and (ii) below, terminate the Subsidiary Guarantee issued by such Additional Subsidiary Guarantor with effect from the date of such notice so long as (i) no Default or Event of Default shall have occurred and then be continuing or shall result therefrom (including, without limitation, an Event of Default arising from a breach of Section 10.6 following the termination of such Subsidiary Guarantee), and (ii) no payment by such Subsidiary Guarantor is due under such Subsidiary Guarantor's Subsidiary Guarantee.

(e) The Company may further, from time to time at its sole discretion and upon written notice to the holders of the Notes referring to this Section 9.8(e), which shall be accompanied by an Officer's Certificate certifying as to the matters set forth in sub-paragraphs (i) and (ii) below, terminate an Optional Subsidiary Guarantee issued by an Optional Subsidiary Guarantor with effect from the date of such notice so long as (i) no Default or Event of Default shall have occurred and then be continuing or shall result therefrom (including, without limitation, an Event of Default arising from a breach of Section 10.6 following the termination of such Optional Subsidiary Guarantee) and (ii) no payment by such Optional Subsidiary Guarantor is due under such Optional Subsidiary Guarantor's Optional Subsidiary Guarantee.

10. NEGATIVE COVENANTS.

The Company covenants that during the Issuance Period and so long thereafter as any of the Notes are outstanding:

10.1. Transactions with Affiliates.

The Company will not, and will not permit any Subsidiary to, enter into directly or indirectly any transaction or group of related transactions (including, without limitation, the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate of the Company, other than for compensation and upon fair and reasonable terms with Affiliates in transactions that are otherwise permitted hereunder no less favorable to the Company or such Subsidiary than would be obtained in a comparable arm's-length transaction with a Person other than an Affiliate, provided, the foregoing restriction shall not apply to (a) any transaction between the Company and any of its Subsidiaries or between any of its Subsidiaries, (b) reasonable and customary fees paid to members of the Boards of Directors of the Company and its Subsidiaries, (c) transactions effected as part of a Receivables Transaction, (d) compensation arrangements of officers and other employees of the Company and its Subsidiaries entered into in the ordinary course of business or (e) those transactions existing on the date of this Agreement and set forth on Schedule 10.1.

(a) Except as might otherwise be permitted under Section 10.7, the Company will not consolidate with or merge with any other Person or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person unless:

- (i) the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of the Company as an entirety, as the case may be, shall be a solvent corporation or limited liability company organized and existing under the laws of the United States or any State thereof (including the District of Columbia), and, if the Company is not such corporation or limited liability company, (x) such corporation or

limited liability company shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes and (y) such corporation or limited liability company shall have caused to be delivered to each holder of any Notes an opinion of nationally recognized independent counsel, or other independent counsel reasonably satisfactory to the Required Holders, to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof; and

- (ii) immediately before and immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing.

No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation or limited liability company that shall theretofore have become such in the manner prescribed in this Section 10.2(a) from its liability under this Agreement or the Notes.

(b) Except as might otherwise be permitted under Section 10.7, the Company will not permit any Subsidiary to liquidate, wind up or dissolve (or suffer any liquidation or dissolution), or merge, consolidate with or into, or convey, transfer, lease, sell, assign or otherwise dispose of (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to or in favor of any Person, except that, so long as no Event of Default exists or would result therefrom:

- (i) any Subsidiary may merge with (x) the Company, provided that the Company shall be the continuing or surviving Person, or (y) any one or more Subsidiaries, provided that (A) when any Wholly-Owned Subsidiary is merging with another Subsidiary, such Wholly-Owned Subsidiary shall be the continuing or surviving Person and (B) when any Foreign Subsidiary is merging with a Domestic Subsidiary, such Domestic Subsidiary shall be the continuing or surviving Person;
- (ii) any (x) Subsidiary may sell, transfer, contribute, convey or otherwise dispose of all or substantially all of its assets (upon voluntary liquidation or otherwise), to the Company or to a Domestic Subsidiary; provided that if the transferor in such a transaction is a Wholly-Owned Subsidiary, then the transferee must also be a Wholly-Owned Subsidiary; and (y) any Foreign Subsidiary may sell, transfer, contribute, convey or otherwise dispose of all of its assets (upon voluntary liquidation or otherwise), to any other Foreign Subsidiary;
- (iii) any Subsidiary formed solely for the purpose of effecting an acquisition may be merged or consolidated with any other Person; provided that the continuing or surviving corporation of such merger or consolidation shall be a Subsidiary; and

(iv) “inactive” or “shell” Subsidiaries (i.e., a Person that is not engaged in any business and that has total assets of \$2,000,000 or less) may be dissolved or otherwise liquidated, provided that (x) all of the assets and properties of any such Subsidiaries are transferred to the Company or another Subsidiary upon dissolution or liquidation and (y) the aggregate total assets of all Subsidiaries permitted to be dissolved or otherwise liquidated under this clause (iv) shall not exceed \$40,000,000.

10.3. Line of Business.

The Company will not, and will not permit any Subsidiary to, engage in any business if, as a result, the general nature of the business in which the Company and its Subsidiaries, taken as a whole, would then be engaged would be substantially changed from the general nature of the business in which the Company and its Subsidiaries, taken as a whole, are engaged on the date of this Agreement.

10.4. Terrorism Sanctions Regulations.

The Company will not, and will not permit any Subsidiary to, (a) become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or (b) directly or, to the knowledge of the Company after due inquiry, indirectly have any investment in or engage in any dealing or transaction (including any investment, dealing or transaction involving the proceeds of the Notes) with any Person if such investment, dealing or transaction (i) would cause any holder or any affiliate of such holder to be in violation of, or subject to sanctions under, any U.S. Economic Sanctions Laws applicable to such holder, or (ii) is prohibited by or subject to sanctions under any applicable U.S. Economic Sanctions Laws.

10.5. Liens.

The Company will not, and will not permit any Subsidiary to, create, incur, assume or suffer to exist any Lien upon any of its property, assets or revenues, whether now owned or hereafter acquired, except for:

(b) carriers’, warehousemen’s, mechanics’, materialmen’s, repairmen’s or other like Liens arising in the ordinary course of business which are not overdue for a period of more than 30 days or which are being contested in good faith by appropriate proceedings diligently conducted, if adequate reserves with respect thereto are maintained on the books of the applicable Person in accordance with GAAP;

(f) Liens securing Indebtedness in respect of Capital Leases and purchase money obligations for fixed or capital assets; provided that (i) such Liens do not at any time encumber any property other than the property financed by such Indebtedness, (ii) the principal amount of the Indebtedness secured thereby does not exceed the fair market value of the property being acquired on the date of acquisition and (iii) such Indebtedness was not incurred in connection with, or in anticipation or contemplation of, an acquisition;

(g) Liens on the assets of Receivable Subsidiaries created pursuant to any Receivables Transaction permitted pursuant to Section 10.6(a);

- (g) other Dispositions where:
 - (i) in the good faith opinion of the Company, the Disposition is an exchange for consideration having a Fair Market Value at least equal to that of the property Disposed of and is in the best interest of the Company or the applicable Subsidiary, as the case may be;
 - (ii) immediately after giving effect to such Disposition, no Event of Default would exist; and
 - (iii) immediately after giving effect to such Disposition, the Disposition Value of all property that was the subject thereof in any four fiscal quarter period of the Company plus the Fair Market Value of any other property Disposed of during such four quarter period does not equal or exceed 20% of Consolidated Total Assets as of the last day of the then most recently ended fiscal quarter of the Company;

provided that for purposes of clause (g)(iii) above there shall be excluded from any determination of the Fair Market Value or consideration receivable of property or assets disposed of in a Disposition if and to the extent that an amount equal to the net proceeds realized upon such Disposition are within 90 days after the consummation of such Disposition, applied by the Company to prepay or repay Indebtedness that ranks at least pari passu with the Notes or the Subsidiary Guarantees (other than Indebtedness owing to the Company, any Subsidiary or any Affiliate of the Company) so long as in connection with any such payment or prepayment of such Indebtedness, the Company shall, on or before the date of such payment or prepayment, prepay a Pro Rata Portion of each Note then outstanding as provided in Section 8.8.

10.8. ERISA.

The Company will not, and will not permit any Subsidiary to, engage in a transaction which could be subject to Section 4069 or 4212(c) of ERISA, or permit any Plan to:

- (a) engage in any non-exempt “prohibited transaction” (as defined in Section 406 of ERISA or Section 4975 of the Code);
- (b) fail to comply with ERISA or any other applicable Laws; or
- (c) incur any material “accumulated funding deficiency” (as defined in Section 412 of the Code or Section 302 of ERISA),

which, with respect to any event listed above, could reasonably be expected to have a Material Adverse Effect.

10.9. Financial Covenants.

The Company will not permit the Consolidated Leverage Ratio to exceed 3.25 to 1.0 for the four fiscal quarters of the Company then last ended (in each case taken as one accounting period) as of the last day of each fiscal quarter; provided that, to the extent the Company consummates an acquisition permitted by this Agreement for aggregate cash consideration exceeding \$150,000,000 (each, a “**Material Acquisition**”), the Company may elect, upon written notice to MetLife and each holder of a Note that is an Institutional Investor, which notice shall be provided no later than the last Business Day of the fiscal quarter in which the relevant Material Acquisition is consummated, to increase the maximum Consolidated Leverage Ratio permitted by this Section 10.9 to 3.75 to 1.0 for the fiscal quarter in which such Material Acquisition is consummated and the three consecutive fiscal quarters of the Company following such Material Acquisition (each, a “**Four Quarter Period**”) (retroactive to the first day of such Four Quarter Period), and the interest rate applicable to the Notes shall increase by 0.50% during the period from (and retroactive to) the first day of such Four Quarter Period until the earlier of (i) the last day of such fiscal quarter at the end of which the Consolidated Leverage Ratio for the four fiscal quarters of the Company then ended did not exceed 3.25 to 1.0 (retroactive to such date) and (ii) the last day of such Four Quarter Period (each, a “**Covenant Reset Date**”) (such increase, the “**Acquisition Spike**”); provided further that, the maximum Consolidated Leverage Ratio may be increased to 3.75 to 1.0 for a Four Quarter Period in connection with a Material Acquisition no more than three times after the Restatement Date. For the avoidance of doubt, the

Consolidated Leverage Ratio may not exceed 3.25 to 1.0 for the four fiscal quarters of the Company then last ended (in each case taken as one accounting period) as of the last day of each fiscal quarter that ends after a Covenant Reset Date during a Four Quarter Period. If the Consolidated Leverage Ratio is increased for a Four Quarter Period pursuant to the preceding sentence, no corresponding increase in the Consolidated Leverage Ratio with respect to a subsequent Material Acquisition may occur until the completion of at least one full fiscal quarter following the last day of such Four Quarter Period.

11. EVENTS OF DEFAULT.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

As used in Section 11(j), the terms “employee benefit plan” and “employee welfare benefit plan” shall have the respective meanings assigned to such terms in section 3 of ERISA.

12. REMEDIES ON DEFAULT, ETC.

12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in Section 11(g) or (h) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, without limitation, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2. Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. Rescission.

At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts that have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4. No Waivers or Election of Remedies, Expenses, Etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

13.1. Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

13.2. Transfer and Exchange of Notes.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18) for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other details for notices of each transferee of such Note or part thereof) within ten Business Days thereafter the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) of the same Series as such surrendered Note in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Exhibit 1.3, in the case of a Series 2017-A Note, or Exhibit 1.4, in the case of a Shelf Note. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

13.3. Replacement of Notes.

Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same Series as such lost, stolen, destroyed or mutilated Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

14. PAYMENTS ON NOTES.

14.1. Place of Payment.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York, at the principal office of JPMorgan Chase Bank, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

14.2. Home Office Payment.

So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest and all other amounts by the method and at the address specified for such purpose below such Purchaser's name in Schedule A (in the case of Series 2017-A Notes) or as specified in such Purchaser's Confirmation of Acceptance (in the case of a Shelf Note), or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such

Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

15. EXPENSES, ETC.

15.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all reasonable and invoiced costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, provided that such costs and expenses under this clause (c) shall not exceed \$3,000 per Series of Notes. The Company will pay, and will save MetLife, each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes). On the date hereof, the Company shall have paid the reasonable, documented and invoiced fees and disbursements of MetLife's special counsel, Morgan, Lewis & Bockius LLP, as evidenced by a statement of such counsel rendered to the Company at least one Business Day prior to the date hereof.

15.2. Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

17.1. Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, (b) (i) with the written consent of MetLife (and without the consent of any other holder of Notes), the provisions of Section 1.4 or 2 may be amended or waived (except insofar as any such amendment or waiver would affect any rights or obligations with respect to the purchase and sale of Notes which shall have become Accepted Notes prior to such amendment or waiver), and (ii) with the written consent of all of the Purchasers which shall have become obligated to purchase Accepted Notes of any Series (and not without the written consent of all such Purchasers), any of the provisions of Sections 2.2 and 4 may be amended or waived insofar as such amendment or waiver would affect only rights or obligations with respect to the purchase and sale of the Accepted Notes of such Series or the terms and provisions of such Accepted Notes and (c) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend Section 8, 11(a), 11(b), 12, 17 or 20.

17.2. Solicitation of Holders of Notes.

(a) Solicitation. The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes, unless

such proposed amendment, waiver or consent relates only to a specific Series of Accepted Notes which have not yet been purchased, in which case such information will only be required to be delivered to the Purchasers which shall have become obligated to purchase Accepted Notes of such Series. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof or of any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

17.3. Binding Effect, Etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note.

17.4. Notes Held by Company, Etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at any Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or

further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement (or any related document, certificate or agreement) that is proprietary or confidential in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a Purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

22. MISCELLANEOUS.

22.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

22.2. Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided that, if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

22.3. Accounting Terms and Covenant Calculations.

(a) All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, all computations made pursuant to this Agreement shall be made in accordance with GAAP, and all financial statements shall be prepared in accordance with GAAP.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with the covenants in this Agreement, any election by the Company or any Subsidiary to measure any portion of a non-derivative financial liability at fair value (as permitted by IAS 39 or any similar accounting standard), other

than to reflect any hedging of such non-derivative financial liability (including both interest rate and foreign currency hedges), shall be disregarded and such determination shall be made as if such election had not been made.

(c) As used in this Agreement, accounting terms relating to the Company and its Subsidiaries not defined in Schedule B, and accounting terms partly defined in Schedule B, but only to the extent not so defined, shall have the respective meanings given to them under GAAP. If at any time any change in GAAP or in the manner in which the Company shall be required or permitted to disclose its financial results in its filings with the Securities and Exchange Commission (i.e., a change which is inconsistent with the manner disclosed by the Company in its Annual Report on Form 10-K for the fiscal year ended December 31, 2016) would affect the computation of any financial ratio or requirement set forth in this Agreement, and either the Company or the Required Holders shall so request, the holders of Notes and the Company shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change (subject to the approval of the Required Holders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP and as calculated consistent with the manner disclosed by the Company in its Annual Report on Form 10- K for the fiscal year ended December 31, 2016 prior to such change therein and (ii) the Company shall provide to the holders of Notes financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change.

(d) Any financial ratios required to be maintained by the Company pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

22.4. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

22.5. Construction, Etc.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

22.6. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

22.7. Governing Law.

This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

22.8. Jurisdiction and Process; Waiver of Jury Trial.

(a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Nothing in this Section 22.8 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(c) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

If you are in agreement with the foregoing, please sign the form of agreement on a counterpart of this Agreement and return it to the Company, whereupon this Agreement shall become a binding agreement between you and the Company.

The Purchasers and such other holders are herein collectively called the “**holders**” and individually a “**holder**.”

PRELIMINARY STATEMENTS:

I. Henry Schein, Inc., a Delaware corporation (the “**Company**”), has entered into an Amended and Restated Master Note Purchase Agreement dated as of September 15, 2017 (as amended, modified, supplemented or restated from time to time, the “**Agreement**”) with Metropolitan Life Insurance Company, MetLife Investment Advisors Company, LLC (together, “**MetLife**”) and each MetLife Affiliate which becomes a party thereto from time to time. Capitalized terms used herein have the meanings specified in the Agreement unless otherwise defined herein.

II. The Agreement provides for, among other things, (i) the issue and sale to the Series 2017-A Purchasers of the Company’s 3.42% Series 2017-A Senior Notes due June 16, 2027, in the original aggregate principal amount of \$50,000,000 (together with any and all other notes for which such notes, or any successor notes, may be substituted or exchanged, all as may be amended, restated, replaced or otherwise modified from time to time, the “**Series 2017-A Notes**”), and (ii) the issue and sale from time to time of additional senior promissory notes of the Company in the aggregate principal amount from time to time provided for therein (together with any and all other notes for which such notes, or any successor notes, may be substituted or exchanged, all as may be amended, restated, replaced or otherwise modified from time to time, the “**Shelf Notes**” and, together with the Series 2017-A Notes, collectively, the “**Notes**”).

III. Pursuant to the Agreement, the Company is required or has chosen to cause the Guarantor to deliver this Guarantee Agreement to the holders.

IV. The Guarantor has received and will receive direct and indirect benefits from the financing arrangements contemplated by the Agreement. The [Board of Directors] of the Guarantor has determined that the incurrence of such obligations is in the best interests of the Guarantor.

NOW THEREFORE, in compliance with the Agreement, and in consideration of, the execution and delivery of the Agreement and the purchase of the Notes by each of the Purchasers, the Guarantor hereby covenants and agrees with, and represents and warrants to each of the holders as follows:

¹ Insert appropriate form of entity (e.g. corporation, limited liability company, etc.).

1. GUARANTEE; INDEMNITY.

1.1 GUARANTEE. The Guarantor hereby irrevocably and unconditionally guarantees to each holder, the due and punctual payment in full of (a) the principal of, Make-Whole Amount, if any, and interest on (including, without limitation, any Acquisition Spike and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding), and any other amounts due under, the Notes when and as the same shall become due and payable (whether at stated maturity or by required or optional prepayment or by acceleration or otherwise) and (b) any other sums which may become due under the terms and provisions of the Notes, the Agreement or any other instrument referred to therein (all such obligations described in clauses (a) and (b) above are herein called the **“Guaranteed Obligations”**). The guarantee in the preceding sentence is an absolute, present and continuing guarantee of payment and not of collectability and is in no way conditional or contingent upon any attempt to collect from the Company or any other guarantor of the Notes or upon any other action, occurrence or circumstance whatsoever. In the event that the Company shall fail so to pay any of such Guaranteed Obligations, the Guarantor agrees to pay the same when due to the holders entitled thereto, without demand, presentment, protest or notice of any kind, in lawful money of the United States of America, pursuant to the requirements for payment specified in the Notes and the Agreement. Each default in payment of any of the Guaranteed Obligations shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Guarantor agrees that the Notes issued in connection with the Agreement may (but need not) make reference to this Guarantee Agreement.

The Guarantor agrees to pay and to indemnify and save each holder harmless from and against any damage, loss, cost or expense (including attorneys' fees) which such holder may incur or be subject to as a consequence, direct or indirect, of (x) any breach by the Guarantor or by the Company of any warranty, covenant, term or condition in, or the occurrence of any default under, this Guarantee Agreement, the Notes, the Agreement or any other instrument referred to therein, together with all expenses resulting from the compromise or defense of any claims or liabilities arising as a result of any such breach or default, (y) any legal action commenced to challenge the validity or enforceability of this Guarantee Agreement, the Notes, the Agreement or any other instrument referred to therein and (z) enforcing or defending (or determining whether or how to enforce or defend) the provisions of this Guarantee Agreement.

The Guarantor hereby acknowledges and agrees that the Guarantor's liability hereunder is joint and several with any other Person(s) who may guarantee the obligations and Indebtedness under and in respect of the Notes and the Agreement.

Notwithstanding the foregoing provisions or any other provision of this Guarantee Agreement, the holders (by their acceptance of any Note) and the Guarantor hereby agree that if at any time the Guaranteed Obligations exceed the Maximum Guaranteed Amount determined as of such time with regard to the Guarantor, then this Guarantee Agreement shall be automatically amended to reduce the Guaranteed Obligations to the Maximum Guaranteed Amount. Such amendment shall not require the written consent of the

Guarantor or any holder and shall be deemed to have been automatically consented to by the Guarantor and each holder. The Guarantor agrees that the Guaranteed Obligations may at any time exceed the Maximum Guaranteed Amount without affecting or impairing the obligation of the Guarantor. **“Maximum Guaranteed Amount”** means as of the date of determination with respect to the Guarantor, the lesser of (a) the amount of the Guaranteed Obligations outstanding on such date and (b) the maximum amount that would not render the Guarantor’s liability under this Guarantee Agreement subject to avoidance under Section 548 of the United States Bankruptcy Code (or any successor provision) or any comparable provision of applicable state law.

1.2 INDEMNITY. The Guarantor hereby further agrees that if, for any reason, any amount claimed by a holder of the Notes under this Guarantee Agreement is not recoverable on the basis of a guarantee, it will be liable as a principal debtor and primary obligor to indemnify that holder of the Notes against any cost, loss or liability it incurs as a result of the Company not paying any amount expressed to be payable by it under the Notes, the Agreement or otherwise on the date when it is expressed to be due. The amount payable by the Guarantor under this Section 1.2 will not exceed the amount it would have had to pay under Section 1.1 if the amount claimed had been recoverable on the basis of a guarantee.

2. OBLIGATIONS ABSOLUTE.

The obligations of the Guarantor hereunder shall be primary, absolute, irrevocable and unconditional, irrespective of the validity or enforceability of the Notes, the Agreement or any other instrument referred to therein, shall not be subject to any counterclaim, setoff, deduction or defense based upon any claim the Guarantor may have against the Company or any holder or otherwise, and shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, any circumstance or condition whatsoever (whether or not the Guarantor shall have any knowledge or notice thereof), including, without limitation: (a) any amendment to, modification of, supplement to or restatement of the Notes, the Agreement or any other instrument referred to therein (it being agreed that the obligations of the Guarantor hereunder shall apply to the Notes, the Agreement or any such other instrument as so amended, modified, supplemented or restated) or any assignment or transfer of any thereof or of any interest therein, or any furnishing, acceptance or release of any security for the Notes; (b) any waiver, consent, extension, indulgence or other action or inaction under or in respect of the Notes, the Agreement or any other instrument referred to therein; (c) any bankruptcy, insolvency, arrangement, reorganization, readjustment, composition, liquidation or similar proceeding with respect to the Company or its property; (d) any merger, amalgamation or consolidation of the Guarantor or of the Company into or with any other Person or any sale, lease or transfer of any or all of the assets of the Guarantor or of the Company to any Person; (e) any failure on the part of the Company for any reason to comply with or perform any of the terms of any other agreement with the Guarantor; (f) any failure on the part of any holder to obtain, maintain, register or otherwise perfect any security; or (g) any other event or circumstance which might otherwise constitute a legal or equitable discharge or defense

of a guarantor (whether or not similar to the foregoing), and in any event however material or prejudicial it may be to the Guarantor or to any subrogation, contribution or reimbursement rights the Guarantor may otherwise have. The Guarantor covenants that its obligations hereunder will not be discharged except by indefeasible payment in full in cash of all of the Guaranteed Obligations and all other obligations hereunder.

3. WAIVER.

The Guarantor unconditionally waives to the fullest extent permitted by law, (a) notice of acceptance hereof, of any action taken or omitted in reliance hereon and of any default by the Company in the payment of any amounts due under the Notes, the Agreement or any other instrument referred to therein, and of any of the matters referred to in Section 2 hereof, (b) all notices which may be required by statute, rule of law or otherwise to preserve any of the rights of any holder against the Guarantor, including, without limitation, presentment to or demand for payment from the Company or the Guarantor with respect to any Note, notice to the Company or to the Guarantor of default or protest for nonpayment or dishonor and the filing of claims with a court in the event of the bankruptcy of the Company, (c) any right to require any holder to enforce, assert or exercise any right, power or remedy including, without limitation, any right, power or remedy conferred in the Agreement or the Notes, (d) any requirement for diligence on the part of any holder and (e) any other act or omission or thing or delay in doing any other act or thing which might in any manner or to any extent vary the risk of the Guarantor or otherwise operate as a discharge of the Guarantor or in any manner lessen the obligations of the Guarantor hereunder.

4. OBLIGATIONS UNIMPAIRED.

The Guarantor authorizes the holders, without notice or demand to the Guarantor and without affecting its obligations hereunder, from time to time: (a) to renew, compromise, extend, accelerate or otherwise change the time for payment of, all or any part of the Notes, the Agreement or any other instrument referred to therein; (b) to change any of the representations, covenants, events of default or any other terms or conditions of or pertaining to the Notes, the Agreement or any other instrument referred to therein, including, without limitation, decreases or increases in amounts of principal, rates of interest, the Make-Whole Amount or any other obligation; (c) to take and hold security for the payment of the Notes, the Agreement or any other instrument referred to therein, for the performance of this Guarantee Agreement or otherwise for the Indebtedness guaranteed hereby and to exchange, enforce, waive, subordinate and release any such security; (d) to apply any such security and to direct the order or manner of sale thereof as the holders in their sole discretion may determine; (e) to obtain additional or substitute endorsers or guarantors; (f) to exercise or refrain from exercising any rights against the Company and others; and (g) to apply any sums, by whomsoever paid or however realized, to the payment of the Guaranteed Obligations and all other obligations owed hereunder. The holders shall have no obligation to proceed against any additional or substitute endorsers or guarantors or to pursue or exhaust any security provided by the Company, the Guarantor or any other Person or to pursue any other remedy available to the holders.

Exhibit 9.8-5

If an event permitting the acceleration of the maturity of the principal amount of any Notes shall exist and such acceleration shall at such time be prevented or the right of any holder to receive any payment on account of the Guaranteed Obligations shall at such time be delayed or otherwise affected by reason of the pendency against the Company, the Guarantor or any other guarantors of a case or proceeding under a bankruptcy or insolvency law, the Guarantor agrees that, for purposes of this Guarantee Agreement and its obligations hereunder, the maturity of such principal amount shall be deemed to have been accelerated with the same effect as if the holder thereof had accelerated the same in accordance with the terms of the Agreement, and the Guarantor shall forthwith pay such accelerated Guaranteed Obligations.

5. SUBROGATION AND SUBORDINATION.

(a) The Guarantor will not exercise any rights which it may have acquired by way of subrogation under this Guarantee Agreement, by any payment made hereunder or otherwise, or accept any payment on account of such subrogation rights, or any rights of reimbursement, contribution or indemnity or any rights or recourse to any security for the Notes or this Guarantee Agreement unless and until all of the Guaranteed Obligations shall have been indefeasibly paid in full in cash.

(b) The Guarantor hereby subordinates the payment of all Indebtedness and other obligations of the Company or any other guarantor of the Guaranteed Obligations owing to the Guarantor, whether now existing or hereafter arising, including, without limitation, all rights and claims described in clause (a) of this Section 5, to the indefeasible payment in full in cash of all of the Guaranteed Obligations. If the Required Holders so request, any such Indebtedness or other obligations shall be enforced and performance received by the Guarantor as trustee for the holders and the proceeds thereof shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of the Guarantor under this Guarantee Agreement.

(c) If any amount or other payment is made to or accepted by the Guarantor in violation of any of the preceding clauses (a) and (b) of this Section 5, such amount shall be deemed to have been paid to the Guarantor for the benefit of, and held in trust for the benefit of, the holders and shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of the Guarantor under this Guarantee Agreement.

(d) The Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Agreement and that its agreements set forth in this Guarantee Agreement (including this Section 5) are knowingly made in contemplation of such benefits.

6. REINSTATEMENT OF GUARANTEE.

This Guarantee Agreement shall continue to be effective, or be reinstated, as the case may be, if and to the extent at any time payment, in whole or in part, of any of the sums due to any holder on account of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by a holder upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company or any other guarantors, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Company or any other guarantors or any part of its or their property, or otherwise, all as though such payments had not been made.

7. RANK OF GUARANTEE.

The Guarantor will ensure that its payment obligations under this Guarantee Agreement will at all times rank at least *pari passu*, without preference or priority, with all other unsecured and unsubordinated Indebtedness of the Guarantor now or hereafter existing.

8. REPRESENTATIONS AND WARRANTIES OF THE GUARANTOR.

The Guarantor represents and warrants to each holder as follows:

8.1 ORGANIZATION; POWER AND AUTHORITY. The Guarantor is a [•], duly organized, validly existing and in good standing under the laws of its jurisdiction of [•], and is duly qualified as a foreign [•], where legally applicable, and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Guarantor has the [•]²power and authority, in all material respects, to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts, to execute and deliver this Guarantee Agreement and to perform the provisions hereof.

8.2 AUTHORIZATION, ETC. This Guarantee Agreement has been duly authorized by all necessary [•]²action on the part of the Guarantor, and this Guarantee Agreement constitutes a legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

² Insert appropriate form of action (e.g. corporate, limited liability company, etc.).

³ See preceding Note.

8.3 COMPLIANCE WITH LAWS, OTHER INSTRUMENTS, ETC. The execution, delivery and performance by the Guarantor of this Guarantee Agreement will not

(a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Guarantor or any of its Subsidiaries under, (i) the organizational documents of the Guarantor or (ii) any Material indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, or any other Material agreement or instrument to which the Guarantor or any of its Subsidiaries is bound or by which the Guarantor or any of its Subsidiaries or any of their respective properties may be bound or affected;

(b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Guarantor or any of its Subsidiaries;

(c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Guarantor or any of its Subsidiaries;

except for any such contravention, breach, default, creation of a Lien, conflict or violation described in any of clauses (b), and (c) above which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

“Governmental Authority” means (x) the government of (i) the United States of America or any State or other political subdivision thereof, or (ii) any other jurisdiction in which the Guarantor or any of its Subsidiaries conducts all or a material part of its business, or which asserts jurisdiction over any properties of the Guarantor or any of its Subsidiaries, or (y) any entity exercising executive, legislative, judicial, regulatory or administrative functions of, or pertaining to, any such government.

8.4 GOVERNMENTAL AUTHORIZATIONS, ETC. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Guarantor of this Guarantee Agreement.

8.5 INFORMATION REGARDING THE COMPANY. The Guarantor now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Company. No holder shall have any duty or responsibility to provide the Guarantor with any credit or other information concerning the affairs, financial condition or business of the Company which may come into possession of the holders. The Guarantor has executed and delivered this Guarantee Agreement without reliance upon any representation by the holders including, without limitation, with respect to (a) the due execution, validity, effectiveness or enforceability of any instrument, document or agreement evidencing or relating to any of the Guaranteed Obligations or any loan or other financial accommodation made or granted to the Company, (b) the validity, genuineness, enforceability, existence, value or sufficiency

of any property securing any of the Guaranteed Obligations or the creation, perfection or priority of any lien or security interest in such property or (c) the existence, number, financial condition or creditworthiness of other guarantors or sureties, if any, with respect to any of the Guaranteed Obligations.

8.6 SOLVENCY. Upon the execution and delivery hereof, the Guarantor will be solvent, will be able to pay its debts as they mature, and will have capital sufficient to carry on its business.

8.7 PARI PASSU. All obligations and liabilities of the Guarantor under this Guarantee Agreement will rank in right of payment at least *pari passu* without preference or priority with all other outstanding unsecured and unsubordinated present Indebtedness of the Guarantor.

9. TERM OF GUARANTEE AGREEMENT.

This Guarantee Agreement and all guarantees, covenants and agreements of the Guarantor contained herein shall continue in full force and effect and shall not be discharged until such time as all of the Guaranteed Obligations and all other obligations hereunder shall be indefeasibly paid in full in cash and the Issuance Period under the Agreement shall have expired or otherwise terminated and shall be subject to reinstatement pursuant to Section 6; provided that this Guarantee Agreement may be terminated in accordance with, and pursuant to, Section 9.8(d) or Section 9.8(e) of the Agreement.

10. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Guarantee Agreement and may be relied upon by any subsequent holder, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder. All statements contained in any certificate or other instrument delivered by or on behalf of the Guarantor pursuant to this Guarantee Agreement shall be deemed representations and warranties of the Guarantor under this Guarantee Agreement. Subject to the preceding sentence, this Guarantee Agreement embodies the entire agreement and understanding between each holder and the Guarantor and supersedes all prior agreements and understandings relating to the subject matter hereof.

11. AMENDMENT AND WAIVER.

11.1 REQUIREMENTS. Except as otherwise provided in the fourth paragraph of Section 1.1 of this Guarantee Agreement, this Guarantee Agreement may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), with (and only with) the written consent of the Guarantor and the Required Holders, except that no amendment or waiver (a) of any of the first three paragraphs of Section 1.1 or any of Section 1.2 or any of the provisions of Section 2, 3, 4,

Exhibit 9.8-9

5, 6, 7, 9 or 11 hereof, or any defined term (as it is used therein), or (b) which results in the limitation of the liability of the Guarantor hereunder (except to the extent provided in the fourth paragraph of Section 1 of this Guarantee Agreement) will be effective as to any holder unless consented to by such holder in writing.

11.2 SOLICITATION OF HOLDERS OF NOTES.

(a) *Solicitation.* The Guarantor will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof. The Guarantor will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 11.2 to each holder promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Guarantor will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder as consideration for or as an inducement to the entering into by any holder of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder even if such holder did not consent to such waiver or amendment.

11.3 BINDING EFFECT. Any amendment or waiver consented to as provided in this Section 11 applies equally to all holders and is binding upon them and upon each future holder and upon the Guarantor without regard to whether any Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant or agreement not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Guarantor and the holder nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder. As used herein, the term “**this Guarantee Agreement**” and references thereto shall mean this Guarantee Agreement as it may be amended, modified, supplemented or restated from time to time.

11.4 NOTES HELD BY COMPANY, ETC. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Guarantee Agreement, or have directed the taking of any action provided herein to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Guarantor, the Company or any of their respective Affiliates shall be deemed not to be outstanding.

12. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(a) if to the Guarantor, to [•], or such other address as the Guarantor shall have specified to the holders in writing, or

(b) if to any holder, to such holder at the addresses specified for such communications set forth in such holder's Confirmation of Acceptance, or such other address as such holder shall have specified to the Guarantor in writing.

13. MISCELLANEOUS.

13.1 SUCCESSORS AND ASSIGNS. All covenants and other agreements contained in this Guarantee Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns whether so expressed or not.

13.2 SEVERABILITY. Any provision of this Guarantee Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law), not invalidate or render unenforceable such provision in any other jurisdiction.

13.3 CONSTRUCTION. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such express contrary provision) be deemed to excuse compliance with any other covenant. Whether any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

The section and subsection headings in this Guarantee Agreement are for convenience of reference only and shall neither be deemed to be a part of this Guarantee Agreement nor modify, define, expand or limit any of the terms or provisions hereof. All references herein to numbered sections, unless otherwise indicated, are to sections of this Guarantee Agreement. Words and definitions in the singular shall be read and construed as though in the plural and *vice versa*, and words in the masculine, neuter or feminine gender shall be read and construed as though in either of the other genders where the context so requires.

13.4 FURTHER ASSURANCES. The Guarantor agrees to execute and deliver all such instruments and take all such action as the Required Holders may from time to time reasonably request in order to effectuate fully the purposes of this Guarantee Agreement.

13.5 GOVERNING LAW. This Guarantee Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York, excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

13.6 JURISDICTION AND PROCESS; WAIVER OF JURY TRIAL.

(a) Each of the Guarantor and each holder irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Guarantee Agreement. To the fullest extent permitted by applicable law, each of the Guarantor and each holder of Notes irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each of the Guarantor and each holder consents to process being served by or on behalf of such Guarantor or any holder, as applicable, in any suit, action or proceeding of the nature referred to in Section 13.6(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 12 or at such other address of which such holder shall then have been notified pursuant to Section 12. Each of the Guarantor and each holder agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 13.6 shall affect the right of any holder to serve process in any manner permitted by law, or limit any right that the holders may have to bring proceedings against the Guarantor in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE GUARANTOR AND THE HOLDERS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS GUARANTEE AGREEMENT OR OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH.

13.7 REPRODUCTION OF DOCUMENTS; EXECUTION. This Guarantee Agreement may be reproduced by any holder by any photographic, photostatic, electronic, digital, or other similar process and such holder may destroy any original document so reproduced. The Guarantor agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such holder in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 13.7 shall not prohibit the Guarantor or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction. A facsimile or electronic transmission of the signature page of the Guarantor shall be as effective as delivery of a manually executed counterpart hereof and shall be admissible into evidence for all purposes.
